

### **Additional council tax discount**

### **Flood support discount**

Dacorum Borough Council will award 100% council tax discount for three months, for domestic properties were flooded between 1 December 2013 and 31 March 2014 as a result of adverse weather conditions.

The discount will be awarded only where the flooding was caused by the winter adverse weather conditions and not, for instance, from the failure of a water main, internal water systems or the failure of a sewerage system.

The three months discount will apply irrespective of how long the flooding or adverse business impacts last.
