APPENDIX A

PROCEDURE FOR THE LICENSING AND HEALTH AND SAFETY ENFORCEMENT SUB-COMMITTEE (HACKNEY CARRIAGES)

1. The Chairman will open the proceedings by stating the nature of the matter, which is to be considered, (first application/renewal/suspension/revocation), whether the proceedings concern a vehicle, driver or operator licence, and the name of the applicant or licence holder.
2. The Chairman will introduce himself/herself and the Members of the Committee, the Clerk to the Committee and any other officer present.
3. The Chairman will ask the officers to confirm whether or not the formal requirements in respect of the matter to be considered have been complied with. In the case of a proposed suspension or revocation of licence or a refusal to renew, the Chairman will ask the officers to confirm whether or not the requisite 14 days' prior notice has been served on the licence holder.
4. If satisfied as to the formal requirements the Committee will consider the merits of the application or proposed suspension/revocation and the report of the officers. The Committee may ask the officers for clarification of any points in issue.
5. The Chairman will then invite the applicant or licence holder to make any representations. The applicant or licence holder may make his/her representations personally or through a representative, who shall first identify him/herself.
6. The Chairman and other members of the Committee may ask the applicant or licence holder questions and points of clarification.
7. The applicant or licence holder, his/her representative (if any) and any officer present (with the exception of the Clerk to the Committee) shall withdraw.
8. The members of the Committee consider their decision. If any further clarification or information is required from the applicant or licence holder or any officer, all parties will be recalled.
9. All parties will be recalled for the announcement by the Chairman of the Committee's decision.
