Nicholas

I have this morning received the e mail below from 3 residents on the park, nos. 3, 10 and 12 who have indicated that they are happy with our proposals for an increase in numbers on the site licence.

Can you please add this to the evidence being put before the committee tomorrow night.

Hello David,

Following my email to you regarding the proposed homes and the parking situation, we would like to thank you both for taking time out of your busy schedule to meet us on site last week at such short notice to discuss our concerns.

Having discussed this with you and James, we are aware of what your application to the Council is and that we are happy with it, we have no objection to the additional homes going on to the above plots now that we understand that there will be sufficient parking for both residents and visitors in fact we welcome new and friendly faces on to the site.

It is always a pleasure dealing with you and Wyldecrest directly, long may it continue.

We wish you all a great Christmas, speak to you in the New Year.

Best wishes
