Executive Summary

Key findings

Audit results and other key matters

The Audit Commission's Code of Audit Practice (the Code) requires us to report to 'those charged with governance' on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified.

This report summarises the findings from the 2012/13 audit which is substantially complete. It includes the messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure value for money in your use of resources.

Financial Statements

- ▶ As of 18 September 2013, we expect to issue an unqualified opinion. Our audit demonstrates that the Council has prepared its financial statements well and this is reflected in the low number of issues to bring to your attention.

Value for Money

- ▶ We expect to conclude that you have made appropriate arrangements to secure economy, efficiency and effectiveness in your use of resources .

Whole of Government Accounts

- ▶ We expect to issue an unqualified confirmation to the National Audit Office (NAO) regarding the Whole of Government Accounts submission.

Audit Certificate

- ▶ The audit certificate is issued to demonstrate that the full requirements of the Audit Commission's Code of Audit have been discharged for the relevant audit year. We expect to issue the audit certificate at the same time as the Audit Opinion.

Extent and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement. In the Annual Governance Statement, the Council reports publicly on the extent to which they comply with their own code of governance, including how they have monitored and evaluated the effectiveness of their governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- ▶ Express an opinion on the 2012/13 financial statements
- Report on any exception on the governance statement or other information included in the foreword
- As a component auditor, follow the group instructions and send to the National Audit Office our group assurance certificate, audit results report and auditor's report on the consolidation schedule
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the Value for Money conclusion)
- This report contains our findings related to the areas of audit emphasis, our views on the Council's accounting policies and judgments and material internal control findings.
- This report is intended solely for the information and use of the Council. It is not intended to be and should not be used by anyone other than this specified parties.

Addressing audit risks

Significant Audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

Audit Risk identified within our Audit Plan	Audit Procedures performed	Assurance gained and issues arising
Significant audit risks		
<p>1. Valuation of Property, Plant and Equipment</p> <p>The valuation of these properties is based on estimation techniques. The estimate is highly sensitive, with small changes in the assumptions used in making an estimate of the value resulting in material changes in value.</p>	<ul style="list-style-type: none"> • We sought to place reliance on management experts. • We performed tests of details at an individual asset valuation level. 	<ul style="list-style-type: none"> • We found management's expert valuers to be competent and objective and their work was adequate for our purposes. • We found the individual asset valuations carried out by the valuers were made on the correct basis, with the Council applying the correct accounting treatment to those assets. • We conclude that valuations of non-current assets are free from material misstatement.
<p>2. Public Services Quarter</p> <p>The Council has established plans to redevelop parts of Hemel Hempstead Town Centre, including the area on which the civic centre currently sits. To facilitate this, the Council has acquired a number of commercial properties which will be used to decant staff into as the development progresses. The valuation and classification of these properties has been identified as a significant risk.</p>	<ul style="list-style-type: none"> • We tested the classification of assets acquired as part of the redevelopment of the Public Services Quarter against the Code of Practice on Local Authority Accounting 2012/13 	<ul style="list-style-type: none"> • We found that all assets acquired by the Council in the preparation for the redevelopment of the public services quarter had been correctly classified.
Other audit risks		
<p>1.Risk of misstatement due to fraud and error .</p> <p>Management has the primary responsibility to prevent and detect fraud. It is important that management, with the oversight of those charged with governance, has put in place a culture of ethical behaviour and a strong control environment that both deters and prevents fraud.</p> <p>Our responsibility is to plan and perform audits to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatements whether caused by error or fraud. As auditors, we approach each engagement with a questioning mind that accepts the possibility that a material misstatement due to fraud could occur, and design the appropriate procedures to consider such risk.</p>	<ul style="list-style-type: none"> • We identified this risk during the planning stages. • We inquired of management about risks of fraud and the controls put in place to address those risks. • We obtained an understanding of the oversight given by those charged with governance of management's processes over fraud. • We considered the effectiveness of management's controls designed to address the risk of fraud. • We determined an appropriate strategy to address those identified risks of fraud. • We performed mandatory procedures regardless of specifically identified fraud risks. • We considered the results of the National Fraud Initiative and may make reference to it in our reporting to you. 	<ul style="list-style-type: none"> • All our planned procedures are complete. There are no findings that are indicate a risk of misstatement due to fraud or error.

Financial Statements audit

Issues and errors arising from the audit

Progress of our audit

- ▶ The following areas of our work programme remain to be completed. We will provide an update of progress at the Audit Committee meeting:
 - ▶ Receipt of a Letter of Representation
 - ▶ Whole of Government Accounts
 - ▶ Testing of the movements on certain Reserves.
- ▶ Subject to the satisfactory resolution of the above items, we propose to issue an unqualified audit report on the financial statements.

Corrected Errors

Our audit identified a limited number of minor disclosure errors which our team have highlighted to management for amendment. All of these have been adjusted during the course of our work. We do not consider any of these to be significant and therefore we have not provided further details of these amendments.

All our planned procedures are complete. There are no findings that are indicate a risk of misstatement due to fraud or error.

Uncorrected Errors

There remain no unadjusted errors for your consideration

Other Matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the Council's financial reporting process including the following:

- Qualitative aspects of your accounting practices;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions.
- Other audit matters of governance interest

We have no matters we wish to report.

Findings and issues

Internal Control, Written Representations & Whole of Government Accounts

Internal Control

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. My responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have tested the controls of the Council only to the extent necessary for me to complete my audit. We are not expressing an opinion on the overall effectiveness of internal control.

We have reviewed the Annual Governance Statement and can confirm that:

- ▶ it complies with the requirements of CIPFA/SOLACE Delivering Good Governance in Local Government Framework; and
- ▶ it is consistent with other information that we are aware of from our audit of the financial statements.

We have not identified any significant weakness in the design or operation of an internal control that might result in a material error in your financial statements of which you are not aware.

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, for which we do not currently have sufficient audit evidence. Only standard representations have been required.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of my report are specified by the National Audit Office.

We are currently concluding my work in this area and will report any matters that arise to the Audit Committee.

Arrangements to secure economy, efficiency and effectiveness

The Code of Audit Practice (2010) sets out our responsibility to satisfy ourselves that Dacorum Borough Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. In examining the Council's corporate performance management and financial management arrangements, we have regard to the following criteria and focus specified by the Audit Commission.

Criteria 1 - Arrangements for securing financial resilience

- ▶ *“Whether the Council has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future”*
- ▶ We did not identify any significant risks in relation to this criteria.
- ▶ We have no issues to report in relation to this criteria.

Criteria 2 - Arrangements for securing economy, efficiency and effectiveness

- ▶ *“Whether the Council is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.”*
- ▶ We did not identify any significant risks in relation to this criteria.
- ▶ We have no issues to report in relation to this criteria.

Independence & Audit Fees

Independence

- ▶ We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated 28 March 2013.
- ▶ We complied with the Ethical Standards for Auditors and the requirements of the Audit Commission's Code and Standing Guidance and in our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.
- ▶ We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.
- ▶ We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee on 18 September 2013.

- ▶ We confirm that we have met the reporting requirements to the Audit Committee, as 'those charged with governance' under International Standards on Auditing (ISA) 260. Our communication plan to meet these requirements were set out in our Audit Plan of 28 March 2013.

Audit fees

The table below sets out the scale fee and our final proposed audit fees.

	Proposed final fee 2012/13	Scale fee 2012/13	Variation comments
	£s	£s	
Total Audit Fee - Code work	96,900	96,900	None
Certification of claims and returns*	33,500	33,500	None
Non-Audit work	0	0	None

*Our fee for certification of grants and claims is yet to be finalised for 2012/13 and will be reported to those charged with governance in February 2014 within the Audit Certification Report for 2012/13.

- ▶ Our actual fee is in line with the agreed fee at this point in time, subject to the satisfactory clearance of the outstanding audit work.
- ▶ We confirm that we have not undertaken any non-audit work outside of the Audit Commission's Audit Code requirements.

In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.
