DETACHED AGRICULTURAL BARN

LONG LANE FARM, LONG LANE, BOVINGDON, HEMEL HEMPSTEAD, HP3 0NE

Letter from Baker Construction

I have been helping Mr & Mrs Hunt with their barn since the problems with their planning application first started.

Mr & Mrs Hunt initially had a visit from your enforcement team regarding the gable end on the barn, which was due to a mistake on the drawings. I had a meeting with Mr Gibbs, where upon it was decided to put fake cladding on the end wall and a false Dutch hip on the roof, to reduce the impact on the site. We then got new planning permission, and were able to pitch the roof, which was then passed by building control.

The following day I had a phone call from building control/planning, asking if I could please check the ridge height, as it was not to exceed 8.1 metres. I measured the ridge and it is 7.6 metres high, so was below the required height.

Mr & Mrs Hunt then had a visit from your enforcement officer Cora Watson, who re measured the roof with me. We were then told that the roof could not exceed 7.1 metres, which is a big difference from 8.1 metres. The original application that was passed, had a roof height of 8.05 metres.

There then followed another site meeting with Mr Gibbs and Cora Watson, where we re measured the building, along with it's proximity to the boundaries. I understand that the owner of Tamarinda has made a number of complaints regarding the height and positioning of the building. The new building is sited further back from both of the boundaries than the original barn.

The original barn was a large construction of brick with a tin roof, which was partly demolished by a tree falling on it during storms in 2005. The owner of Tamarinda was not living here at this time, so could not have seen the extent of the size and height of the original building.

The three other neighbours between Long Lane Farm and Tamarinda have no problems whatsoever with the building and have written to the council with their approval.

Mr Clarke, the architect, who is no longer dealing with this application, and myself have had a very good working relationship in the building industry for the last 32 years, and have never come across problems like this before.

The building is smaller than the original and lower than the first application that was passed, which had a roof height of 8.05 meters, as opposed to what is currently built at 7.6 metres.

I hope that this can now be approved so that everybody can move on and the building can be completed.

Comment: There has been the comprehensive documented consideration of a new barn at the site through the 3 applications which has included specific reference to to the building's dimensions and location.

Recommendation:

As per the published report.

Condition 3 (Tree Protection Plan) has been amended, due to submission and approval of satisfactory tree protection plan upfront, approved by the council's tree officer.

The tree protection measures described in the approved Arboricultural Methods Statement (dated 17th July 2019 by Arbtech) shall be put in place prior to the commencement of the development hereby permitted and shall be retained throughout the duration of the construction of the development.

Reason: To ensure the protection and retention of existing/remaining protected trees in accordance with saved Policy 99 of the Dacorum Borough Local Plan.

The following windows of the dwelling hereby permitted shall be permanently fitted with obscured glazing to a minimum of Level 3 on the Pilkington scale of privacy or equivalent and non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed:

- **First floor en-suite bathroom window for bedroom 4 on the north-east elevation.**

Additional Representations

The following representations were received during the second neighbour consultation phase on the amended plans (4 – 18th September):

1)

Updated comment from Berkhamsted Town Council received on 18th September 2019:

The Committee noted the objection from the rear neighbour; however, it was agreed that the distance between the proposed build and the neighbouring boundary exceeds the minimum planning requirement of 23m and so could not be considered as reason for objection. The Committee objected to the proposed scale, bulk and mass of the two-storey right-hand northern flank which would dominate the garden of the neighbouring bungalow, negatively impacting on their amenity, contrary to CS12. The revised drawings do not show the impact onto the neighbouring property.

2)

Additional letter of representation received on 23rd September 2019 by Aitchison Raffety Chartered Town Planning Consultants, on behalf of occupiers of 6 Shootersway Park:

Dear Mr Collier,

I refer to the planning application above and your recent letter (attached) notifying residents of the additional information and amendments, providing a further 14 days for comments.

On behalf of Mr and Mrs Knibb, of 6 Shootersway Park, Berkhamsted, I would like to ***reiterate our OBJECTION*** *to the proposal.*

A copy of our original objection letter is attached to this email for reference. We have reviewed the additional supporting information and note the amendment to the proposed first floor rear facing openings (Juliette balconies replaced with standard height windows). We would like to make clear that the changes to the proposal do not overcome our concerns regarding the overbearing impact of the development or its effect on privacy. The existing bungalow has a modest height and profile and is in no way overbearing on the rear garden and property at 6 Shooterway Park. Furthermore, aside from two high level rooflights, the existing bungalow has no first-floor rear facing windows. Consequently, it does not overlook the garden or property at 6 Shootersway Park.

In contrast, the proposed dwelling would be two storeys in height (over 8.5 metres to the ridge) and would feature five first floor rear facing windows. Furthermore, the rear elevation of the proposed dwelling would be sited significantly closer to the rear garden and property at 6 Shootersway Park. The proposed increase in bulk and mass, and closer proximity of the building, would have an adverse overbearing impact on the rear garden and property of 6 Shootersway Park, and the first-floor rear facing windows would compromise the existing levels of privacy.

As set out in our original objection, we are also concerned about the disproportionate scale and bulk of the proposed triple garage at the front of the property, and the adverse impact this would have on the character and appearance of the street scene. In our view, these concerns are not addressed by the additional information or amendments submitted by the applicant.

It is noted that the previous Officer for this application (Amy Harman) visited 6 Shootersway Park to review the impact of the development on this property. We understand Amy Harman has now left the Council. Consequently, we would also like you to visit 6 Shootersway Park to fully understand the impact of the development and to ensure that a full and proper assessment of the application is made.

Please see full letter of objection in Document 4.

3

Representation received from 9 Barncroft Road on 18/9/19:

As neighbours to the proposed new building, we are concerned with the size and proportion of the new build relative to our property and the lack of privacy and decrease in value we feel this may bring to our home. We wish to object to the size

and proportion of the new build and for this to be moderated so it is more in keeping with the road and other properties on it.

Correction to Para 9.16 of Committee Report:

Para. 9.16: The development is liable for CIL contributions in accordance with Policy CS35 of the Core Strategy.

Recommendation:

As per the published report.

Item 5e

4/01534/19/FUL

DEMOLITION OF EXISTING COMMERCIAL/ANCILLARY RESIDENTIAL OUTBUILDING AND CONSTRUCTION OF TWO, ONE AND A HALF STOREY THREE BED SEMI DETACHED DWELLINGS.

WOODLANDS, NOAKE MILL LANE, WATER END, HEMEL HEMPSTEAD, HP1 3BB

Additional Neighbour comments;

I noticed the change of description from “agricultural building” to “commercial and ancillary residential buildings”. Please note that the term “commercial building” is also incorrect as change-of-use status was refused (4/00721/15/LDE) and subsequent appeal dismissed (4/00269/16/ENA and APP/A1910/C/16/3142602).

Please also note that the applicant has been providing contradictory information to the Council. On one hand, to avoid enforcement action, they claim that the outbuilding was only converted into ancillary units for their children. On the other hand, when applying for planning permission, they happily refer to these exact same ancillary units as proper dwellings, as evidenced below:

- Paragraph 3.3 of the Design and Access Statement:“*… the replacement of a building, provided the new building is in the same use …*;”
- Previous planning applications 4/00735/14/FUL and 4/03393/15/FUL: “*Demolition of existing three dwellings…”*

Surely, they cannot have it both ways!

I would also like to query the appropriateness of the development in relation to the main house: can a development be appropriate if it removes basic functions from the main house without proposing any alternatives? If this development went ahead, Woodlands would lose its driveway, approach route to the entrance door and central heating (the LGP tank is currently located where Dwelling B's proposed new garden would be). No alternatives were provided in the application to correct these losses.

My concerns regarding road safety were already highlighted in my letter of 11/07/2019 to HCC Highways. Could you please ensure that a road safety assessment is made for the whole of Noake Mill Lane, and not just the area closest to the proposed development as was carried out for application 4/01519/18/FUL? Regular traffic will have already been increased after the granting of applications 4/00412/19/FUL and 4/03902/15/FUL. Granting further developments in this single-track lane would lead to further additional regular traffic which, in turn, would materially impact the flow of traffic and prejudice road safety.

Regarding the development itself, the applicant is proposing to create two back gardens where the large concrete slab currently sits. A huge amount of concrete would have to be removed and a huge amount of earth brought in to create these new gardens. This very ambitious project is not making the most of the current settings.

Recommendation:

As per the published report.

Item 5f

4/00171/19/FUL

DEMOLITION OF EXISTING EQUESTRIAN FACILITIES AND CONSTRUCTION OF ONE FOUR-BEDROOM DWELLING, ONE THREE-BEDROOM HOLIDAY LET, ONE WORKSHOP/BARN/CARPORT BUILDING, WITH ASSOCIATED SOFT LANDSCAPING, HARDSTANDING, AND FENCING.

1 WOODEND COTTAGES, LITTLE WOODEND, MARKYATE, ST ALBANS, AL3 8AX

Further objection received from No.2 Woodend Cottages:

My name is ****. I live with my young family at No 2, Little Woodend, next door to the applicants. We wish to object to this application.

I note it has been recommended for approval and that the officer has kindly chosen to decide how much we will be effected by this application- focusing on the overlooking of our amenities only and not on the noise, traffic, pollution, intrusion and lack of security and privacy a new dwelling and holiday lets will bring not to mention the huge visual impact.

We moved to Little Woodend almost 5 years ago, so we could enjoy the natural, verdant tranquillity of the place. The dynamic of Little Woodend and Grade 2* Hill Farm, just 500 yards away, all mercifully unchanged for almost 300 years.

This all now threatened with a scheme to build two new dwellings where there are currently no dwellings. I will be clear- if the applicants were wanting to extend their cottage- we would NOT have objected- the cottages are small and living space is at a premium. And ditto were there an existing stone or brick built barn ripe for conversion on their land- again we would not have objected.

But to seek to permission for two new build dwellings, upon the demolition of some pre-fabricated stables and lorry bodies- that themselves do not have planning permission and that will dominate and dwarf the existing listed cottages, all with in an AONB is simply inappropriate.

It is contra to the National Planning Policy Framework 2018 Paragraph 79 and meets none of the criterium.

It is contra to Dacorum's' own Core Strategy Policy CS24 stating that 'the Chilterns AONB will be preserved.' CS7 also states there should be no 'significant impact' of development.

It is contra to Dacorum's' own Local plan where the objectives are to 'protect and enhance' Dacorum's' distinctive character and which notes every effort will be made to discourage development. It also asserts that permission may be given for rural buildings to be converted or reused but must be of a 'permanent and substantial construction without major or complete conversion.' I fail to see how this application meets these policies.

Further- this is the sort of scheme better suited to a detached property with no neighbours. Its simply unfair to ask us to accept 100% more traffic, noise and pollution with holiday tenants coming and going, children, dogs etc. We already have enough ambient noise from the busy dog walking paddock the applicants have 250 yards away. It cannot be a surprise that we would object. There are no advantages- only disadvantages. Ask yourselves- how you would feel if you lived where we do?

I note the so-called 'Farm Report' the applicants had commissioned talks of 'sustainability'- presumably the applicants knew if it the place was 'sustainable' or not for them before they bought it, rather than relying on this scheme to make it so. We ourselves have planted trees, laid hedges, installed bat and bird boxes on our 8 acres- all just sound countryside stewardship and surely not to be used as a planning gain.

Should this application be granted- it will in my view, set a very dangerous precedent in this area- that anyone with a stable of outbuilding can get residential planning

permission on selective interpretation of planning law. This inappropriate scheme is undeniably contra to local and national planning policy. It will change this historic part of Hertfordshire for ever on a whim. We hope and trust the right decision will be reached based on these planning policies, to protect us, our home and Little Woodend for the future. Thank you.

Recommendation:

As per the published report.

6.	Michelle Smith	Tring	Never an issue.	2019-08-08
7.	Zara Corby	Cheddington	This lovely cafe offers so much to the local area, maybe a negotiation with silk Mill over more allocated parking? Closing this down would be a loss to the community.	2019-08-08
8.	Heidi Murray-Smith	Tring	Doodle Caboodle is a much needed community space. There is nothing like it nearby. All of the other local soft play places are too big to be able to watch both of my children at the same time while they play. There are many businesses in the silk mill way business park that have customers driving in and out all day, and it does not seem fair to single out doodle caboodle as the main cause of the issues along Brook Street.	2019-08-08
9.	Judith Ineson	Pitstone	The cafe has run successfully for two years providing a gap in the town for parents with young children	2019-08-08
10.	Jennifer Gray	Chalfont St Giles	Doodle Caboodle is a lovely friendly local cafe and soft play. I've enjoyed many visits there with other Mums and would be sad to see it close.	2019-08-08

This is one of few places in tring for children and parents to meet have have fun. If this is shut down there will be nothing for family's and young children to do in the area	2019-08-08

33.	Rosalind Lambert	Leighton Buzzard	There are too few facilities like this. It is so valuable for parents to limit loneliness and offer a safe welcoming place to develop friendships.	2019-08-08
34.	Hermie Willetts	Hemel Hempstead	I agree	2019-08-08
35.	Emily Carter-Milne	Tring	My children love this venue	2019-08-08

#	Name	City	Comment	Date
36.	Emily O	Aylesbury	Where to start? The morning coffees with friends? The amazing cakes that make my kids ask to go weekly? The fact that it is smaller than some of the further away soft-play venues and therefore more tolerable for kids with additional sensory needs? The fact that this place gave me some much needed minutes of sanity when being home alone with a toddler was feeling a bit exhausting? If you have no reason to use a soft play cafe like this, you really cannot understand what it offers to those who do. Please support this local business. It is so very needed.	2019-08-08
37.	Victoria Bye	Tring	This cafe is a much needed addition to Tring. Most of the customers live in Tring and walk. The buggy parking outside is testament to that. Parents and children need a safe place to play. Please don't shut down a very special place.	2019-08-08
38.	Emily Corke	Aylesbury	It's a wonderful, much needed children's cafe.	2019-08-08
39.	Charlie Morton-Boyce	Berkhamsted	We need kind friendly places!	2019-08-08
40.	Vanessa White	Leighton Buzzard	This is a great little cafe which I visit on a regular basis and it would be a real shame to see it go. I normally park in one of the town centre car parks when I visit so it's unfair to assume that it's customers are causing the parking problems on Brook Street.	2019-08-08
41.	Fiona Anderson	Tring	It would be a travesty if the cafe closes.	2019-08-08
42.	Tricia Osborne	Tring	This cafe provides a service to parents and children in Tring. Parking in Brook Street is always bad mainly due to the residents who have nowhere else to park. What proof do DBC have that it's users of the cafe that are causing problems and not workers/other users of Silk Mill Business Park?	2019-08-08
43.	Claire Guest	Quainton	There is no proof that the on road parking is due to this cafe. It is a much needed facility in the local area which should be allowed bro continue operating. Thank you.	2019-08-08
44.	Andrea Wynn	Tring	To keep our lovely cafe	2019-08-08
45.	Sarah Hepple	Pitstone	A useful place for local families	2019-08-08
46.	Karen Edwards	TRING	Because we need this facility. It is a lovely family business who deserve to be supported.	2019-08-08
47.	Gemma Goodhead	Chesham	The cafe is a community asset, hugely loved by families with babies and children up to the age of around 6. It should be encouraged.	2019-08-08
48.	Richard Pugh	Pitstone	I am signing this as this is a wonderful facility, serving the community of Tring and local area, that is supportive of local charities and provides local employment.	2019-08-08

66.	Julia Fensom	Aylesbury	I love that cafe and it's friendly atmosphere.	2019-08-08
67.	Sarah Viney	Tring	Doodle Caboodle provides a safe & welcoming hub for young children to play, something nowhere else offers in Tring. The parking issues surely can't be blamed solely on the one business alone.	2019-08-08
68.	Sapphire Richardson	Tring	This is a lovely spot and we had my sons first birthday party. We filled the place out and there was plenary of parking for that many people. You couldn't fit many more in the building. Tring is losing it's family feel and most people are having to look outside of Tring for local, safe and fun time with their children. Without doodle caboodle there will just be another office or estate agent or some other miserable business.	2019-08-08
69.	Hannah Reid	Tring	It's a lovely cafe and play area for young children. Myself and mu kids love it there! Will be sad for it to go.	2019-08-08
70.	Cheri Robson	Aston Clinton	I support this cafe. This is a lifeline for new mums and mums with young children. I have visited many times. There is no truth it is the customers parking on Brook Street. Please keep this cafe. Think of the local jobs and facility it gives to the local community.	2019-08-08
71.	Leanne Oleary	Leighton buzzard	This is a great place to take young children of which there aren't many small play cafes around which cater from crawling to 5 year olds.	2019-08-08
72.	Lisa Rogers	Tring	Doodle Caboodle is a great addition to our community and such a lovely place to visit with my children. It is one of my daughter's favourite places to go and it's only down road from us. There are a lot of businesses in the business park and there is not enough parking for all of them, not just Doodle Caboodle, so it is unfair to persecute them saying they should be able to provide more parking when there are plenty of cafes across the country with no parking facilities whatsoever. The main town car parks are only a few minutes walk away and plenty of people walk to the cafe as I do. There should be more restrictions on the parking outside the houses at brook street to make it safer anyway and encourage everyone to park elsewhere. The cafe should not have to take the hit because of parking issues that affect the business park and residents as a whole, not just them! Keep Doodle Caboodle open!!!	2019-08-08
73.	Davina Renouf	Tring	This is a much needed facility for Tring. It is located in the town centre allowing parents to walk with the children to the cafe. We cannot loose this cafe - please!	2019-08-08
74.	Celine Wilcock	Pitstone	This is a wonderful cafe offering a great facility to children and their families alike. I used to. live on Brook Street and the parking got much worse with the building of the new developments.	2019-08-08

75.	Zoe Garnell	Leighton Buzzard	Our family love to come to this Cafe. Whether it's to catch up with friends or just come on our own, it's the perfect place for our toddler to play and meet new friends.	2019-08-08
76.	Kimberley Millbourn	Aylesbury	There is plenty of parking at nearby car parks. The cafe can't be held responsible if some people park irresponsibly. It's a lovely facility to have.	2019-08-08
77.	Jacqui B7nce	Leighton Buzzard	This is an amazing local place for parents with really young ones to have time for themselves whilst their young ones get to play safely. Do not force a closure of this great business!	2019-08-08
78.	Kristina Brety	Aylesbury	I really like the cafe, excellent space for both parents and kids!	2019-08-08
79.	Katharine Courtney	Tring	I love the cafe	2019-08-08
80.	Hannah Sullivan	Wingrave	I want the cafe to stay open. It is a great space for kids and families alike. Well needed by the local community. Please keep it open.	2019-08-08
81.	Darren Hewitt	Herts	I want too	2019-08-08
82.	Sarah Stevens	Hertfordshire	I've enjoyed taking my son too this cafe and feel that Tring is lacking in facilities for small children.	2019-08-08
83.	Laura Sloan	Tring	The cafe provides a vital function for residents of Tring. The business park as a whole is a thriving business but it all contributes to the parking issue. It is wholly unfair to place the blame on one business.	2019-08-08
84.	Peter Compton	Cheddington	This is a great family space for young children. A place for parents to take a few moments respite while their children indulge in play the helps their physical development. Any parking issues in the local area are just as likely caused by the gym, martial arts gym, new build flats etc. Keep Doodle Caboodle open. It's a small, but hugely appreciated part of the local community.	2019-08-08
85.	Jodie Gates	Pitstone	We love going to doodle caboodle, we've always found parking in the free car parks and have been directed to those car parks when enquiring. I think it's unfair to blame the parking issues on Brook Street solely on the Cafe, there are various other businesses on site too!	2019-08-08

90.	Emma Farrier	Aston Clinton	This cafe is really important to the community and we live going there	2019-08-08
91.	Sona Pritchard	Hemel Hempstead	I like to support small local businesses. It seems unreasonable to assume cars parked on the road are customers from the cafe without proof. Keep it open	2019-08-08

92.	Ana Smith	Pitstone	The cafe is great for the local community for those with young children. I have visited on numerous occasions and have never had a problem parking in the designated spaces.	2019-08-08
93.	Claire Kite	Pitstone	We love doodle caboodle! We park in the centre of tring and walk there! It would be a real shame to lose this cafe and all the hard work Sonya and her team do.	2019-08-08
94.	Hannah Gregory	Tring	I am a Tring resident with a young son and have found the cafe a god send at times. Local families will suffer should this suddenly be closed down.	2019-08-08
95.	Becci Aldridge	Tring	I'm signing because this soft play and cafe is much needed in our town. Most people walk there and those that don't can park on site (not on the road). Our community needs Doodle Caboodle.	2019-08-08
96.	Debbie Brown	Tringford tring	This is a great place for young local families	2019-08-08
97.	Helena Pangalos	Tring	I'm signing because I regularly use Doodle Caboodle Cafe, which I walk to from Brook street where I live and am particular familiar with this road/parking and units! I also can not believe the justification given that the cafe has increased parking on Brook Street! A) there are so many other units on the site that contribute to public parking, how can you single out one particular business. B) the most difficult time to pass Brook street by the units, is in the evening when all the residents have parked their cars along the road and not during the opening hours of the cafe!	2019-08-08
98.	Donna Jelley	Hertfordshire	These good people have built up a fantastic little business and it takes time ! This budiness benefits many , give them a break and show some support.	2019-08-08
99.	Maryanne Slade	Ivinghoe	I'm signing because... this is a lovely little cafe and I've always parked in the closest carpark and walked there!!	2019-08-08

101.	Stephanie Colclough	Tring	Doodle Caboodle is a lovely little play cafe where me and my children enjoy going, parking has never been an issue for us and I have never parked on Brook Street!	2019-08-08
102.	Sally Kay	Leighton Buzzard	I'm signing because I love this cafe, I walk there! And it provides a great place for new mums to meet and get support. The parking situation on the street is nothing to do with the cafe!	2019-08-08

107.	Stephanie Worrall	Hemel Hempstead	I have taken my kids here a lot and it is a great place for them to play safely and for me to meet other mums. It would be very sad to see it go.	2019-08-08
108.	Anna Jumnoodoo	Hemel Hempstead	I'm signing because there is a lack of child friendly cafes	2019-08-08
109.	Gemma Baker	Hemel Hempstead	I'm signing because this is a much needed resource on this side of the borough. It is a beautiful little cafe to take little ones to and the staff are incredibly friendly and helpful. Can you be 100% certain the additional parking woes are solely down to this cafe? There are other units on this site..... people can't always park in the car park for this site, the one of the high street or outside their houses so will park wherever there is a space! #savedoodlecaboodle	2019-08-08
110.	Annabel Douthwaite	Tring	The cafe is a valuable resource for our community and should not be closed down.	2019-08-08
111.	Laura Christie	Tring	It's a great cafe for young families and as number of customers walk to it th elarking is more than adequate!	2019-08-08
112.	Ella Jobbins	Leighton Buzzard	As a mummy of two young children with a small support group I cannot explain how much Doodle Caboodle has saved my sanity in days where I needed to get out of the house but couldn't face anything too 'major' . If the council has concerns re parking (I, myself don't have trouble parking in the visitors spaces) then it is the council's responsibility to regulate and enforce a safe and effective parking facility/road management measures. Not punish a business.	2019-08-08
113.	Victoria Chidgey	Tring	This cafe is an asset to Tring and the local people.	2019-08-08
114.	Charlotte Worthington	Buckinghamshire	It's a superb facility that is much needed in the local area	2019-08-08
115.	Sam Crockett	Hemel Hempstead	Because it's a great place to meet up and the kids can play	2019-08-08
116.	Lydia Holmes	Tring	My daughter and I love to meet friends here. It's a lovely, friendly little place and something Tring really needs. I also think the reason behind the application (parking) is ridiculous. How do they know it's due to the cafe when there are so many other businesses there! Myself and all my friends always walk down!	2019-08-08
117.	Sara Bartlett	Pitstone	I have used this cafe a lot since having my son. It's the only local play cafe and is a supportive, breast feeding friendly place. Most people I know walk there! I even park on my friend's drive and walk!	2019-08-08

118. Caroline Drew	Aylesbury	It is unreasonable that the cafe is being blamed for parking issues. Maybe parking enforcement should be put in if the parking is such a danger? There is also no guarantee that by closing the cafe that the parking will improve. it is a lovely place that is for the local community. I know a lot of people who travel to tring to visit the cafe and whilst there spend money in other local shops. Maybe councillors should work closer with small businesses to enhance the community rather than take away provisions for young families.	2019-08-08
119. Chris Mann	Ivinghoe	Local people run this cafe.	2019-08-08
120. Jessica Lloyd	Tring	This is a lovely place to take my little boy and to meet friends with children. There is nowhere else in Tring that is available all week that offers this kind of service.	2019-08-08
121. Aisling Temperley	Hemel Hempstead	I really like this little cafe - I have four children under 5yr old, it's a place I can go on my own, without another adults support, where I can feed my baby and also see the others playing. Other soft plays are too big and I lose them. This is perfect - as I also get to drink a hot drink and eat cake :-)	2019-08-08
122. Sara Correia	Milton Keynes	It would be a real shame to close a fantastic place for children to play safely in all weathers.	2019-08-08
123. Hannah Newman	Aylesbury	This is a great venue and much needed for the local and surrounding community.	2019-08-08

125. Jess OSullivan	Pitstone	Child-friendly cafes are a necessity to parents. Finding a place to entertain your children and socialise with other parents, whilst not panicking you will upset others if your child has a meltdown, is such a comfort!	2019-08-08
126. Sophie Collins	Berkhamsted	This is a great place for lonely mums, one of the few good facilities in the area.	2019-08-08

130. Melissa Seddon	Trinf	I feel the cafe is great for the people of Tring. Plenty of people walk from the town centre to the cafe and it would be so sad to see it close down . It is a great place for people with young children to meet and it would be missed enormously. Please keep it open.	2019-08-08

141. Helen Hughes	Aylesbury	This is a wonderful place to take children, the parking has never been an issue as far as I can see. There are more cars on the road generally, and removing a family run, local business will not remedy this.	2019-08-08

153. dania alzapiedi	tring	Doodle Caboodle is a lovely cafe that is loved by everyone in and around tring. I do not think it has an impact on the parking on Brook street - the only people making it dangerous are the people driving through to fast!	2019-08-08

155. Grace Lucy	Hertfordshire	For friends	2019-08-08
156. Charlotte Killick	Aylesbury	The cafe provides a lovely meeting place for mums where children can play. It benefits not only the mental wellbeing of mums but also promotes active play for the children nurturing both their physical and mental wellbeing.	2019-08-08
157. Rose Bate	HP23 5EY	Ridiculous to say that it's the cafe causing more on street parking in Brook Street. There are lots of units in the Silk Mill. Are they all being penalised too?	2019-08-08
158. Sara Lane	Billericay	I believe that the benefits of having a family-oriented venue in the area outweigh any parking issues, and that the local area would benefit from the council working with local businesses to resolve such issues.	2019-08-08
159. Jemma Hawkins	Hemel Hempstead	I enjoy visiting with my child and I have never encountered an issue with parking, the car garage and other shop/businesses seem to have more problems.	2019-08-08
160. Gemma Roberts	Leighton Buzzard	I have used this cafe several times before and, as a Mum to young children, I feel that having places like this in the community is so important. It would be really sad if this amazing resource were to be closed down.	2019-08-08
161. Lizzie Keating	Leighton buzzard	To support a well loved ,local, community, business!	2019-08-08
162. Craig Norman	Aylesbury	The parking on Brook Street has always been awful. It is down to the council to come up with a solution that doesn't involve closing small, well loved businesses and taking a family's livelihood away from them.	2019-08-08
163. Jennifer O'Brien	Tring	I'm signing because Doodle Caboodle is a great resource for parents and children and something I can walk to rather than needing to drive.	2019-08-08
164. Lynsey McAuley	Aylesbury	I'm signing to support the mums who rely on this place just to get out the house to see other adults, the mums who met here and became friends, the grandparents who can bring there grandchildren here and know they are safe. This is a community hub and should be supported by the council for benefiting and supplying the community with a service xxx	2019-08-08

165. Lynne Eld	Tring	I'm signing because Doodle Kaboodle has given my grandchildren hours of fun, without me having to take them far. To have the cafe there is an added bonus, good selection of food, reasonably priced and means they can play for longer in a safe, caring environment.	2019-08-08
166. Brenda Lawrence	Tring	I love the cafe and as a Grandparent , it's a lovely, safe fun environment to take and share time with my grandchildren. The family have worked hard to build up the the business , it would be a travesty to see it close. Brenda Lawrence	2019-08-08
167. Fiona Conway	Chesham	Doodle Caboodle should not close	2019-08-08
168. Kirsty Morley	Wingrave	It's an amazing gem which is an asset to the community	2019-08-08
169. Sam Jameson	Cheddington	It's a great place which is needed within tring. The same argument for parking could be applied to all the businesses. The road will have significant issues for traffic without the cafe. It has not got worse since it opened but remained the same	2019-08-08
170. Jess Selfe	Tring	I don't believe that the cafe is the only busyon the estate that brings extra traffic. There is a gym and retail shops so it's unfair that Doodle Caboodle should be singled out. The cafe provides a great service to families in Tring. Instead of this, maybe the council should look to create more parking.	2019-08-08

183. Joanna Leigh	Tring	This is a much needed community business, in an area that thrives on community spirit. This town, houses young families that need this kind of facility. 192. Gill Barrett	Wendover	This little cafe is a much needed place for local parents / carers and their children. There's nothing else like it locally. The majority of cafes in Tring / any town have no parking so that can't be used as a factor against this cafe!	2019-08-08
193. Sarah Hamilton	Aylesbury	I am signing because I have spent many happy hours catching up with friends in a safe place for my children.	2019-08-08
194. Rebecca Smith	Tring	We have used the cafe since it opened, it is a great place for parents, carers and young children to go. I have never had to park on the road or in an obstructive or dangerous place. The recommended refusal seems to be based on speculation as opposed to fact. The parking has actually become worse since the latest block of flats was built, not since the cafe opened.	2019-08-08

205.	Emma Rance	Tring	There are no other indoor play areas in Tring; parking cannot be blamed on the cafe alone as there are many other businesses there (the gym alone would have more parking issues) and removal of the cafe will not fix the parking issue in Tring and Brook Street;	2019-08-08

219. Carina Keen	Pitstone	This is a fabulous facility for tring and brings people and children together! A much needed facility for the area and car parking as a justification to close is not acceptable! Plenty of us walk there and or park a distance away and get some exercise pushing in. To prevent parents from engaging in the wider community through this facility is really short sited and shameful. Keep it open and think differently about parking and local transport in the area!	2019-08-08
220. Nicola Long	Tring	This cafe is in walking distance of many families with young children in tring.	2019-08-08
221. Amy Jordan	Tring	We visit the cafe very often and as a new mum to 2 under 3 it was my lifeline for a long time as I could easily pop down on a good day. The cafe is more than just a cafe it's a social place to find friends and meet ones you already have.	2019-08-08
222. Karen Mckenzie	Leighton Buzzard	This is a wonderful cafe and place to relax knowing your children can also have fun. No where else like it.	2019-08-08
223. Nicola Scott	Tring	It is a great local venue for parents to take their children and meet other parents. Most other venues in town can not easily or safely accommodate children. I have 1 year old twins and there is a real lack of local places for me to go so it can be very isolating. Shame on anyone who thinks it's ok to take this away.	2019-08-08
224. John Osborne	Tring	I'm signing because it is a worthy business contributing positively to Tring	2019-08-08

227. Carolyn Knowles	Hertfordshire	It's a genuine lovely safe place for meet ups with other mums, or on your own with soft play & cafe options. I love the fact it's not a chain, feels personal. It would be sad to see it go.	2019-08-08
228. Jessica Ryan	Tring	The cafe is well needed in the area and my daughter enjoys coming here.	2019-08-08

233. Olivia Collins	Milton keynes	This place is unique and brings people to Tring. You'd be doing young families a disservice by allowing this fantastic facility. Help find a solution to the parking problem rather than just shutting place down!	2019-08-08

237. Edward Waring	Tring	I have lived in tring all my life there has always been a problem with brook street .	2019-08-08
238. Clare Workman	Hemel Hempstead	This a fantastic little venue to have a drink & let young ones play where you cal always see what they are up to. There is parking on site for people to use. Parking on streets in surrounding areas could be by people visiting the town or other businesses without sufficient evidence you can not say they are purely related to the café. Victoria Hall is in a small street & provides very little parking opposite but so can create dangerous parking at times but this has never been an issue!	2019-08-08
239. Peter Leighton-Murray	Tring	The benefits of such a facility in Tring is immeasurable.	2019-08-08
240. Rita Roberts	Aylesbury	The children love it there.	2019-08-08
241. Joanne Soler	Tring	I believe this business brings many benefits to the town. I regularly walk to the cafe and use it to meet friends and let my children play. It also has meant that I've noticed and then therefore used other businesses on the estate which I would not have known about otherwise.	2019-08-08
242. Alexandra Cotton	Leighton Buzzard	It's this kind of small-minded council related rubbish that really grinds my gears... The cafe is a wonderful business and local councillors should be awarding it rather than lambasting it, purely for something so silly as parking. We've enjoyed many outings here with friends or as a family. It's a well-run, happy and safe space for children to play and eat great, healthy food. It would be a real shame to see it go :(	2019-08-08

264. Suzy Sangster	Bucks	This is such a lovely place to meet other mums with their children and would be a real loss to Tring and the surrounding areas if they were to close. I have always parked considerately when using the cafe. Double yellows extended along Brook Street are needed. And what about the empty site behind the industrial estate? A perfect sized car park space is standing empty behind the industrial estate, can that be put to use?	2019-08-08
265. Ciara Kent	Tring	I'm signing because we can not lose the doodle caboodle cafe! This argument about the parking is completely ridiculous! The vast majority of people who use the cafe walk there. It is the only place in Tring where you can let the children play safely whilst having a catch up with your own friends over a cuppa or a glass of fizz! The sanity of the Mothers in Tring would be at risk if the cafe had to close down!	2019-08-08

295.	Jo Hayes	Weston Turville	We should support local family businesses. Tring needs Caboodle cafe, a great place not just for the children but for the carers who need a break and to socialise. It's a community essential.	2019-08-08
296.	Lucy Scoot-Williams	Berkhamsted	We need to support small businesses that are surviving in our ever shrinking highstreets not oust them! We especially need to support ones that are creating jobs and havens such as this in small communities	2019-08-08
297.	Marion Panayi	Tring	This little establishment is extremely important for the area as it allows young children to play safely and, families to socialise and have a coffee and snack along with the little ones enjoying refreshments, especially when the weather is bad and outdoor activities can't be enjoyed. The play area allows the little ones to use up some of their energy, which is essential for a healthy child. As far as parking is concerned, lots of the customers come by foot and the ones that drive have a few choices of spaces on a first come first served basis. There are many other businesses in this little estate that also use parking spaces and unfortunately the area doesn't provide sufficient spaces for all. I don't understand why this should be a reason to penalise or close an established well loved business. Change of Use should have been addressed when their Lease was first issued.	2019-08-08

299.	Kate Turner	Tring	Great business	2019-08-08
300.	Liza Roche	Tring	This cafe should not be closed. No evidence that additional cars parking on Brooke street are customers of this establishment. Factors contributing to more cars/traffic on Brooke street are the bus stop and the area where the drop curb is opposite the entrance to the industrial estate and where the double yellow lines start causing 2 sets of parked cars on the same side if the road in close proximity.	2019-08-08
301.	Avril Burns	Tring	I fully support the doodle caboodle cafe and am sure that with some imagination there must be a way to overcome the council's objections. This is a much used facility outside of the town centre.	2019-08-08

302. Hanne Grice	Tring	The cafe is a much needed asset to the local community. 320. Laura Bushby	Berkhamsted	This cafe is such a great part of the community, it would be such a shame if the short sightedness of the council forced a lovely small family business to close. There may be issues with parking on that road but that can be attributed to any one of the businesses on the park, surely there are other ways to deal with problem parking than shut businesses down. Towns such as Tring and Berkhamsted should be applauding small businesses who are surviving in the current climate and doing all they can to support them, not try to close them down. There are enough issues for small businesses at the moment. I am actually shocked that anyone at the council could even consider this as being the right way to go about the issue. Very disappointed.	2019-08-09

They constantly give back to the community and without this cafe people will lose their jobs, local charities will lose financial support and and families from all over Herts/beds/ bucks will lose yet another place which was designed to help children with their development and parents socialising which in turn encourages socialisation and play for children so they thrive and for parents is positive for their mental health.	2019-08-09

345. Steve Douthwaite	Tring	It's a vital component of the community and a much needed safe play area for young children. Parking issues nearby should be reviewed separately - if it's too dangerous to park in certain places, surely there should be double yellow lines placed there to stop people at any time? Local park play facilities are often littered with glass and many crimes, such as assault, have been reported. Doodle Caboodle is a much needed and safe play environment for the young residents of Tring. The council should applaud such enterprises, not close them down.	2019-08-09

357.	Elizabeth Price	Tring	I am signing because this cafe was a lifeline for me and my mummy friends who were all on maternity leave the past 12 months. With the multitude of issues faced my mothers coping with tiny babies and older children, this was a safe welcoming space that allowed our older children to play, whilst being supervised, and for us to meet and talk to each other during the cold winter months when the parks were not a realistic option. The ladies that worked at doodle made us feel very welcome and were interested in how we were and very caring of our children. At a time when post partum mental health is understood, and research has shown how important getting out of the house and meeting other people and talking about problems is before they overwhelm mummies, I cannot support this move to close doodle. Indeed it would seem counter to everything a local councils should and could be encouraging for this important demographic within the local community. My husband has also met daddy friends there with the children to give me (mummy) a break and get some respite himself when looking after 2 children under the age of 3. May I suggest that the council reconsiders this, or at a minimum, negotiates with the owners to find them an equivalent property at the same or reduced cost with the same excellent central access for people that travel on foot? In addition they would need some funding for the the transfers of the equipment and facilities. Yours, Elizabeth Price	2019-08-09
358.	Natalie Lynn	Tring	I'm signing this because doodle caboodle is a great facility, I always walk there and tring is in need of a child focused cafe	2019-08-09
359.	Sara Barratt	Tring	I think this is a great asset to Tring.	2019-08-09

361. Samantha Bennett	Aylesbury	As a parent of very young children it can be hard to take two of them to a soft play as they are at very different stages but too young to let on go off on their own. Doodle caboodle is a god send as it's small enough I can sit and have a chat with a friend for few minutes and I can see them and know they are safe. This place is a life line to many mums who struggle to get out to places like this with their children and actually be able to chat to other adults. This would be a really lose to the community. I've always parked on site, never had an issue parking here. These places are rare and a real gem, it would be very sad to see it go.	2019-08-09
362. Susanna Fraser	Little Gaddesden	Doodle Caboodle is an important part of the Tring community providing a much needed service and jobs in the area.	2019-08-09
363. Hannah Gardner	Wingrave	This cafe is a unique place for those with children to go. There are no other facilities like it in Tring and it would be a great shame for it to close. The cafe is within walking distance of a great many homes in Tring so to penalise those families who walk there because of parking issues would seem hugely unfair.	2019-08-09
364. Matthew Best	Tring	This is an important place for young families, a fun place to entertain young children for people in Tring without having to get in a car!	2019-08-09
365. Nicole Pyne	Leighton Buzzard	We need more places like this	2019-08-09
366. Kelly Ogle	Tring	I have two young children who both love Doodle Caboodle. We go there often, there is nothing else like it in Tring. If it closed it would be a huge loss to the community.	2019-08-09
367. Leanne Pugsley	Tring	There is nowhere else in Tring like DoodleCaboodle and it would be a loss for parents with young children if it was closed. From what I've seen, cars are parked on Brooke street all day with very few coming and going so I think it's more likely to be people who live on Brooke street or those that work in the industrial units that park there as opposed to users of the cafe. The cafe is walkable for many people and certainly from car parks in the town so I don't see how this cafe is worsening an already horrendous street for parking.	2019-08-09
368. Jez Bonnar	Tring	It is a valuable and well loved local business	2019-08-09
369. Melanie Ingram	Tring	It's a brilliant support place for new mums like me	2019-08-09
370. Sarah Keegan	Aylesbury	Affordable, safe, engaging environments for parents to bring their children are really important especially in small villages where there is limited options.	2019-08-09
371. Jayne Goldsmid	Marsworth	I want to support a local business.	2019-08-09
372. Jo Ginger	Tring	Stop picking on small local businesses and children. Sort out the path to this place and more people would walk there	2019-08-09

374. Clare Hogan	Tring	This is a gem of a cafe that is really popular with locals and families who travel to Tring specifically to visit.	2019-08-09
375. Helen-Jane Carter	Aylesbury	This facility is needed! In order to provide a safe birthday party for a child under school age, to my knowledge there is only one other cafe near me like this (Aston Clinton hub) and I would be aghast if it were to close for good. An alternative site with equal or less costs to the business will need to be provided should the current one be deemed not appropriate.	2019-08-09
376. Sarah Moore	Tring	It's a great place for mums with young children to meet and for small children to play, there isn't anywhere else in Tring to do this. Really important for first mums mental health and well-being.	2019-08-09
377. Lee Ferguson	Tring	The only place of its kind in Tring	2019-08-09
378. Jane Pearce	Bucks	Great for my grandchildren	2019-08-09
379. Melissa Bowles	London	I feel that places to go with young children is important, both for adult and child interaction. My children are older now but without places like this when they were younger I'd have been lost (especially on rainy days!). This is a great way to make friends. Rather than close this lovely venue so easily, why not try to help this lovely family run business with the issues raised such as parking, this would be more helpful to the community. Wishing the successful family business all the luck 😊	2019-08-09
380. Jenny Barrett	Tring	Sonja has a fabulous business and is used by many local parents .	2019-08-09
381. Chris Hogg	Tring	I'm signing because Tring needs this location	2019-08-09
382. Amanda Doran	Tring	It is a great cafe & soft play for all ages.	2019-08-09
383. Rachel Sigidi	Tring	This is an important facility to our community and I support Sonya and her family in their small business.	2019-08-09
384. Georgia Delderfield	Tring	Great cafe and an asset to the community	2019-08-09
385. Alice Smith	Tring	Lack of parking is a result of poor town planning which will have been authorised by Tring council. It's the councils problem to sort out rather than passing this on to a very successful small business.	2019-08-09
386. Vicki Thorpe	Tring	The cafe provides a vital hub for new parents and lone parents who need support. They organise community events to bring people together and positively engage with other local small businesses. The parking issue along Brook Street is a long running issue caused by a multitude of factors and unlikely from the cafe as the users of the cafe are local people and mainly walk there with prams.	2019-08-09
387. Emily Street	Hertfordshire	Doodle Caboodle is a fab cafe, I spent most of my maternity leave meeting friends there,it kept me going on the tough days!	2019-08-09

388.	Joe Purnell	Wingrave	I don't think a successful business that's a benefit to the community should suddenly be at risk of closure through no fault of their own	2019-08-09
389.	Mona Fawaz	Leighton Buzzard	The cafe is an important local facility for people with small children. I park in the car park in town and walk over. As do the other parents I know.	2019-08-09
390.	Ian Maxfield	Tring	The cafe has been open for 2 years already. It's popular and has already overcome the issues with parking. You cannot blame the over crowded parking on one single business in silk mill, there are now many more businesses than before so parking will be an issues. Maybe you could make the east ground at the back of the silk mill into a car park?	2019-08-09
391.	Alasdair Roberts	Tring	Doodle Caboodle provides a much need service within Tring for the parents of small children. With the cafe having been set up prior to the regeneration of the business park and (no doubt) being key to bring new people to the site which ultimately helps the other businesses seems unjust.	2019-08-09
392.	Becky Scott	Pitstone	I believe that this business is a brilliant enterprise and that parking issues cannot be attributed to it so therefore it would be grossly unfair to close it down.	2019-08-09
393.	Elizabeth Ashton	Aylesbury	We want to save a much loved and used facility for our children and the parents it gives a little break to in a safe environment!	2019-08-09
394.	Luciana Walker	Tring	It's a great place to go with friends and know you can actually chat and the children don't get bored. It is very reasonably priced, clean and the staff have always been pleasant and polite. Would be a great shame if it shut.	2019-08-09
395.	Sarah Ripper	Pitstone	I love the doodle caboodle cafe and my daughter would be very sad to see it go. We are already losing the Ivinghoe children's centre.	2019-08-09

404.	Annabel Elford	Pitstone	I'm in full support of Sonya Aris and her amazing team that work so hard to make Doodle Caboodle a success. "I don't believe a change of use is right or fair" The entire area has been made so much more welcoming to customers not just to Doodle Caboodle but to all companies within the complex. So this can not be just put on there shoulders.	2019-08-09
405.	Eva-Maria Withey	Leighton Buzzard	This cafe is a great local facility and very much needed in Tring to support it and the surrounding villages	2019-08-09

408.	Sonia Lee	Leighton Buzzard	This is a great local business that provides a fantastic place for mums and kids to go that is clean and caters for the children. Nowhere exists locally like it and it brings people outside of Tring to it.	2019-08-09
409.	Jenna Youren	Wendover	I'm a frequent user of the cafe and would be very sorry to see such a lovely place closed. There isn't anything else like it In the area for toddlers and babies	2019-08-09
410.	Lindsey Youell	Berkhamsted	My family and I love this little cafe and play space and we would be very sad to see it go. It is a perfect size, had good facilities, we have never found it too busy or too quiet and the staff are very friendly and helpful. We love it so much we are holding our daughter's first birthday there this weekend. We need to keep smaller, more intimate places like Doodle Caboodle as an alternative to the huge, busy, overrun soft plays in the area with awkward and crowded parking.	2019-08-09
411.	Poppy Crippen	Chesham	We love the cafe and it will be sorely missed if it were to close.	2019-08-09
412.	Paddy Henry	Tring	Doodle Caboodle is a great facility. We have a two year old child and it's a super place for parents to meet up. I never drive there I walk. I think the parking issues existed before doodle caboodle and would exist without it. I think it would be grossly unfair not to allow this small business to continue.	2019-08-09
413.	Vanessa Greenwood	Princes Risborough	This is a great place to take my little ones for a play and lunch	2019-08-09

415.	Jacki Hitchin	Tring	I'm signing this petition because I believe in the importance of the cafe. Having relied on its services on a number of occasions with my young children, I know of it's importance for parents and carers to have a space like this to go to.	2019-08-09

417. Rajni Kaur	Birmingham	Small business should be given the opportunities to flourish This cafe provides more than a traditional cafe, it's clearly a place for families to come together which leads to a happier and healthier life	2019-08-09
418. Sophie Ratcliffe	Aylesbury	The cafe runs perfectly well with the parking available and if it's busy there are car parks in Tring and it is a short (but well worth it) walk to the cafe. This cafe provides an excellent and much needed meeting place for parents and children and is a great asset to the community. The cafe can not be blamed for the reckless parking an I wonder if the many flats local to the cafe have been considered as responsible for this instead of targeting is lovely family run small business(?)	2019-08-09
419. Vanessa Harrison	Berkhamsted	I have used the cafe and there are limited resources around for children in Tring and which are also small family businesses.	2019-08-09

421. Sam Letheren	Tring	This is a fabulous local business	2019-08-09
422. Nathalie Cooper	Cambridge	This is a community cafe that serves the local community in a small town that encourages local businesses and has done ever since I have known it. I was previously a member of the local community and Court Theatre and would argue that the cafe (and other businesses in Tring) exist primarily to serve the local community, and as such are within walking distance and should not be requiring additional parking facilities. In addition, is not a local business, serving the local community, where the need for car/s is unnecessary, proving to be an ethical and environmentally sustainable business, reducing CO2 and supporting the already entrepreneurial nature of Tring? The town has historically welcomed and nurtured small local business ideas and owners and should be continuing to do so. This business requires support from all parties involved in its future success: new and existing customers, community representatives and council democrats.	2019-08-09
423. Anna Washington	Tring	My little boy loves doodle caboodle and we really enjoy going there - especially on rainy days! We, as is the case for most Tring residents, don't use any parking there but walk!	2019-08-09
424. Carla Cadle	Edlesborough	This is a beautiful local run cafe, where I have spent many afternoons watching my toodler play. My son also attends regularly with his childminder and friends. We should be supporting local business!!	2019-08-09
425. Simon Oxley	BERKHAMSTED	We have always been able to park on site and the are many other places in town where you could blame parking issues on a local business - but you don't try and close then down.	2019-08-09

426. Ellie Oxley	BERKHAMSTED	I've taken my granddaughter to doodle caboodle many times and have either parked on site or considerately elsewhere in the area. If you have traffic problems on Brook Street then police those and don't just pick on one business whose customers may or may not contribute to the problem.	2019-08-09

433. Elaine Ball	Tring	This will be a great loss to the community, heard such positive feedback about this facility. I was looking forward to meeting up with others in the future, as an expecting mum finding what is on offer in the area	2019-08-09

436. Katrina Blunt	Pitstone	The parking in Brook Street has been an issue for years and I haven't experienced it being worse with Doodle Caboodle cafe being there. The cafe brings a much needed amenity to the area, and jobs and employment. The cafe also helps to bring people to the other businesses in Tring which also contributes to employment and small business owners' livelihoods. By allowing change of use all the positives will be kept and those concerned with the Brook Street parking can go and find other people to blame and spend time finding a solution and not just complaining about it. Creating extra parking lay-bys, parking restrictions etc without putting a local small business out of business when they are not to blame.	2019-08-09

440.	Bryony Evans	Tring	I am a local business owner and I empathise with the cafe and other businesses who are just trying to make their way and do some good locally. The parking around the Silk Mill is not an issue due to the cafe, there are numerous businesses in the estate without adequate parking and the increase in housing without the proper infrastructure is causing a surge in traffic. Don't penalise the little people.	2019-08-09
441.	Joanne Arrighi	Tring	Locals need this play cafe. The parking issues stated are not due to cafe customer use.	2019-08-09

487.	Yasmin Cunningham	Aylesbury	I'm signing because these are real people creating real jobs and a community spirit for the local people. The government and local councils should support local business not crush it. Too many chains with high flying executives who have no knowledge of the communities that they are in taking away from the personalised warmth that a family business provides the locality. Invest in local people, support small businesses Dacorum council! Demonstrate this by doing what you can to assist them not bringing them down.	2019-08-10

488.	Emma Sommerford	Aylesbury	My son loves the doodle caboodle cafe. He has autism and I get really anxious taking him to soft play/cafes as his autism can make him difficult to handle sometimes but here, he is made to feel welcome and I feel relaxed. 496.	Elizabeth Wortley	Tring	Indoor facilities for children to play, particularly with the children's centre reducing its activities locally, is vital to our community. We live locally and don't use our car to go to doodle caboodle, but with a small house it revises a friendly life line when we need somewhere safe to play	2019-08-11

503.	Katja Kruse	Hemel Hempstead	The cafe is a great place to visit with my kids and it's closure would be a loss to the community . There are hardly any family friendly cafes in the area and we even travel from Hemel Hempstead to visit . Please don't close this business .	2019-08-11

509.	Nicola Beatty	PITSTONE	Our area lacks facilities for young parents to take their children where the kids are well catered for and the parents can have 5 minutes to themselves, it's a great facility born out of hard work and dedication.	2019-08-11

521.	Liz Barter	Wendover	This is a lovely place, and exactly the sort of local business the council should be encouraging. Parking in Tring is and will continue to be horrific, the impact of the cafe can't be more than a drop in the ocean and there's no way it's made anyone less safe. It would be disgusting if a bit of petty bureaucracy meant this great place was lost to the community.	2019-08-12

529. Jackie Reynolds	Ivinghoe	I'm signing this petition because this cafe is a huge asset to the community and provides a vital place for people with young children to visit. I have visited on numerous occasions and never had any problem with parking or found it difficult to park elsewhere and walk.	2019-08-14
530. anne Tinsley	Ferndown	All small businesses need help. Better an independent with a community focus than yet another franchise chain.	2019-08-14

544. Simon Gilbert	Tring	Doodle caboodle has become an inter trap part of the community for parents of young children. With the closure of the children's centre it is more important than ever that there are places for parents and young children to meet and play in a safe all weather environment. I do not believe that the cafe has exacerbated parking issues on brook street. There is adequate parking on site and many patrons walk. It also seems unfair to claim the cafe has increased parking issues when other businesses such as the mot centre and gym are allowed to operate freely.	2019-08-20
545. Alexis Hamilton	Berkhamsted	I think Doodle Caboodle has been great for the town. It is different to anywhere else and fab for meeting up with young children.	2019-08-20
546. Emma Parkins	Stewkley	This is an asset to the community and an independent family run business, that also serves surrounding villages. It provides great support to local families in the area who have young children and helps the transistion of becoming a new parent to meet other people in the local area.	2019-08-20
547. Lianne Bates	Leighton buzzard	I am signing this petition as I strongly support family run businesses and it would be tragic for the local community to lose such a lovely and safe environment for children and their families.	2019-08-20
548. Jacqueline Veazey	Tring	Tring families need somewhere like this cafe to go and meet other families, for children to meet, learn social skills and parents to actually not feel alone. The parking situation is not down to The Doddle Caboodle Cafe, it's an unfortunate effect of how little parking there is in a small town, and the other business owners are just to blame - but what's the betting that they don't get met with closure because of the same situation? If this has been ongoing for 2 years, why is there suddenly an issue now? Sounds like sore grapes from someone who's jealous maybe, or just likes to stir up trouble. With business on the High Street (and elsewhere) struggling to survive, leave The Doodle Caboodles cafe alone to survive and become a complete success.	2019-08-20
549. Jenny Howell	Pitstone	The cafe is a great place for children to have fun and provide mums some sanity!	2019-08-20

551. Petra Renshaw	Marsworth	I'm signing because I believe it is an excellent facility for local people (we need to support such ventures not look for negatives to prevent them operating) and the majority of visitors walk to the cafe or if they do drive they can park away from the immediate area where congestion is a problem	2019-08-20

558.	Pauline Gibbons	TRING	Tring councillors tried to stop planning for Tring Yoga Studio on the same grounds but this proved to be wrong and I believe that The Doodle cafe is in the same boat. We should be supporting small local businesses not trying to put obstacles in their way.	2019-08-21

566.	Michelle Parkinson	Tring	I'm signing because this is a really valid need for this outfit on our town, they as a business are not wholly responsible for the parking issues & change of use will not make a difference but will take business away from the industrial estate as a whole	2019-08-22

570. Vicky Ford	Tring	So sad to see another small business being pushed out of the town. There's such few facilities for young children in the town and with all the new housing going up; you'd think the council would be supportive of a little cafe that helps a family environment grow within the town. I hope DoodleCaboodle fight this silly fight from the council. Make the area permit parking and the customers won't be able to park in the residential area and will be forced to use the market car park	2019-08-22
571. Claire Jones	Berkhamsted	My children love it here and so do I!	2019-08-22
572. Jeff stokes	Ivinghoe	This is a very useful community asset, and the staff are always friendly.	2019-08-22
573. Charlotte Lewis	Pitstone	Sonya has poured her heart into the cafe and built up an area for families to relax whilst children play. Doodle caboodle is a welcoming, cosy, family business. For many years the community have longed for this sanctuary and to take it away will be a loss to Tring and surrounding villages.	2019-08-22
574. Martina Vince	Dunstable	This cafe has been a life saver for me as a new mum. It's the perfect place to take your baby or toddler whilst catching up with fellow mums. As a new mum you can feel incredibly isolated and this place welcomes you with open arms.You leave feeling much happier, getting out of the house knowing your baby or toddler has had fun and that you've had some adult conversation. It would be a travesty for this important community venue to close.	2019-08-22
575. Sarah Neasham	Dunstable	We go here all the time with my little ones, it's a great place	2019-08-22
576. Claire Alford	Aylesbury	I have used this cafe many times. It provides a safe fun space for kids as well as providing food and drink suitable for little ones. There are not enough facilities in the area like this and it would be damaging for local parents if this no longer existed	2019-08-22
577. Paul Page	Tring	I'm signing in support for a local business that provides a valuable alternative to the busy high street coffee shops. Parents need options to be able to take their children along with them and let kids be kids instead of mini-grown ups. If the parking is believed to be a problem, then the council should provide greater provision for parking in the area.	2019-08-22
578. Katie Short	Hemel Hempstead	I love this cafe. It's great for parents with little children. A place to meet up, let kids play and relax with a coffee	2019-08-22

585.	Gemma Graham	Dunstable	There are so few facilities like this in the area and the ones that exist are a resptie for tired parents who need a safe place for their children to play so they can get a bit of moral support from others in the same situation. A few individuals parking I considerately should not close a business and take this away from the community. Why not issue tickets to those who park illegally and generate revenue for the council instead?!	2019-08-22
586.	Claire Gradley	Houghton Regis	This is a great place to meet and let the children play in a safe environment. The food is great and my daughter recently had her 2nd birthday party there and it was fantastic.	2019-08-22

588.	Abigail Rayner	Aylesbury	I'm signing because this cafe has been a life saver for me since having my 1 year old daughter last year. It is a wonderful middle meeting ground for my other friends with little ones and it is so affordable and welcoming when you are on a budget. The parking isn't an issue if you are happy to park further away and walk in, which is what I usually do. Please keep this place going it would be so sad to see it go.	2019-08-22

592.	Antonia Lloyd	Tring	I don't feel that this business should be closed as a result of parking. I feel the business park could offer more spaces and the council could make brook street residents only parking.	2019-08-22

595.	Marie K	Berkhamsted	I'd like to see this café remain open, what a great child friendly venue for Tring.	2019-08-22
596.	Hannah Cacchioli	Tring	I'm signing because this is a wonderful cafe for parents of young children. There is nowhere else like it in Tring. It is a haven for a particularly challenging time in a parents life where the children aren't at school, who are too small for some of the big outside playgrounds, and a distraction from the 4 walls (and iPads) at home. If you take this away, there will be much much moaning about the number of kids in the Akeman and nowhere for little people to play and parents to have company and a support network. It's a small cafe so the number of cars is actually quite insignificant. There are other business and offices who use parking spaces (some all day and probably at a higher number than the cafe) without challenge so it seems unfair that this one individual SME is targeted. Do the right and intelligent thing and allow this service (yes it is a service to the people of Tring) to continue.	2019-08-22
597.	Liz Turner	Berkhamsted	This is a great space for children to go to, these softplay cafes are such a great idea as it helps childrens gross motor skills whilst giving parents a safe space to meet up and enjoy a coffee!	2019-08-22

610. Sandra Bould	Tring	In my opinion small businesses should be supported. They provide variety for our town and encourage people to visit. The thoroughfare on Brook Street has always been busy and I would respectfully suggest that people will always park there. If traffic was 'encouraged' to slow down that may alleviate the problem. Please don't target a small business.	2019-08-22

645. Ruth Benton	Ivinghoe Aston	I am saddened by Tring Town Councils short sighted and quite frankly bizarre attitude towards this business. It's a thriving local family enterprise offering a valuable service to families of all socioeconomic groups. It's a rare thing that as children's social skills develop, a cafe like this crosses all boundaries, encourages personal growth with prejudice. Tring has recently become known as a 'white elephant' of failed small business ventures (look at the high Street) - since visiting Doodle-caboodle I have used two other businesses on Silk Mill that I previously had not known. Tring Town Council - wake up and literally smell the coffee - the benefits of this Cafe far out-way any negatives.	2019-09-08
646. S S	Berkhamsted	This small family business deserves to succeed. They have been harassed almost constantly by a neighbouring business that moved in only a short time ago and they are determined to have Doodle Caboodle closed down. The cafe offers a safe haven for local people especially young families. Something that is really lacking in the area. Tring Town Council should be supporting this and not closing it down. A change of use should be a formality as they have been operating for a couple of years without any problem until the adjoining business moved in. TAKE NOTE OF THE MAJORITY NOT A SMALL MINDED ONE MAN BAND ON A MISSION.	2019-09-09
647. Lisa Ingold	Wing	It's a great place and shouldn't be stopped from trading	2019-09-11

655. Ellen Delderfield	Tring	This cafe provides a much needed service in a Tring for families like myself with young children. There is nothing else like this in our town and without it we will have to travel to neighbouring towns to visit theirs. Like many of the cafes visitors, I live in Tring and always walk to the cafe when visiting.	2019-09-11
656. Julia Goddard	Ivinghoe Aston	Businesses like this do so much for the community and should be supported to carry on doing so.	2019-09-11
657. Lorraine Henson	Pitstone	Doodle Caboodle needs to stay open!	2019-09-11
658. Jenny Hopcroft	Aylesbury	This brilliant Cafe is a brilliant asset to Tring, my children have loved playing here and I've enjoyed the social side of meeting other mums here too.	2019-09-11
659. Elaine Wilkinson	Chesham	It's a fantastic little cafe, just what's needed, safe friendly environment for little ones and their carers, to enjoy.	2019-09-11
660. Miki Mitchell	Berkhamsted	This is a fabulous space for families, run by an independent business Woman who needs the support of the local community and council, and deserves our help to keep serving us.	2019-09-11
661. Sophie Ficek	Aldbury	They are a small business, doing a really good job!	2019-09-11
662. Sharon Berry	Aylesbury	This soft play and cafe is valuable for local residents and families further a field. It's a great venue with an amazing friendly team that really care about the children and parents that attend.	2019-09-11
663. Zoe Warren	Pitstone	The cafe provides a safe and healthy, community environment for families. We need to protect our local resources which prevent isolation for parenfs and promote child development through play.	2019-09-11
664. Maria Cayford	Hertfordshire	This place is a little gem of a place. Where parents/carers can sit and have an adult conversation over a hot cuppa whilst our little ones have fun.	2019-09-11
665. Merle Jones	Hemel Hempstead	I think the cafe should stay open	2019-09-11
666. Daniel Ash-Noble	Berkhamsted	I believe the cafe is a valuable asset to the community.	2019-09-11
667. Callum White	Tring	I am signing because Doodle Caboodle is a great venue to have within the community that many of us rely upon to take our children to play in a safe and welcoming environment. Without this we would have to use the poorly maintained play areas that once damaged by vandals are never repaired and so become unusable. As a father of twins, Doodle Caboodle is a great meeting place for me to take and contain my active children in a safe environment. I have never used the car park and have never seen parking being a concern with lots of free spaces. The owners of the cafe have always clearly identified where parking is permitted and I have never noticed any cooking smells when outside. I wish you the very best of luck and hope that I can continue to use your cafe for a number of years to come.	2019-09-11

669. Eleanor Lillitou	Bedfordshire	This is a well needed venue for children and parents as there is not anything else like this around here. Sonya always has the best interests of everyone at heart. It would be a shame to see this place go because of 'parking'.	2019-09-11

672. Laura Hunt	Leighton Buzzard	People will complain about anything. This is a wonderful cafe for both child and parents. The area is lacking in good safe places, let children be children!	2019-09-11
673. Jessica Mitchell	Tring	I'm signing because this cafe is very much needed and appreciated within this community.	2019-09-11
674. Sandra Delderfield	Tring	This is a lovely little play setting which is beneficial to lots of families in Tring with young children. Sonya has built up a lovely business which would be sorely missed.	2019-09-11
675. Lucy Ashton	Buckinghamshire	I believe/know Sonya has worked hard to build her business to the success it is today! She offers the children a safe place to play, it enables the children to socialise and have fun which is important! This cafe allows parents to be able to relax with a coffee and watch their children play and be in a safe environment. Our surrounding villages and also Tring have been needing somewhere like this for our children to enjoy and actually be allowed to be children. where can you go these days where children are allowed to be children without being put in front of an iPad or tv or game station ! We need this cafe and play area for our children ! Sonya is a thoughtful, caring, approachable lady who knows what she's doing when it comes to running doodle caboodle cafe. We can not lose this. We need this!	2019-09-11
676. Sarah Jones	Tring	Great family venue, v friendly	2019-09-11

689.	Helen Barnett	Tring	Doodle Caboodle is a fantastic asset to our town and to Silk Mill Business Park. The business has quickly become a part of the community and should be kept as such. To blame DC for the parking issues in Brook Street and Silk Mill is ridiculous! They are just one of many businesses on the site and indeed one of the smaller ones so the parking issue is cumulative and not one businesses fault. TMA and Tring MOT easily add far more traffic to the site than DC. Simple road improvements, such as yellow lines opposite the entrance to Silk Mill and improvements to the entrance itself would greatly aid the flow of traffic. Th other point to consider is that the current traffic problems are far more caused by the closure of the high street during gas works than anything to do with Silk Mill businesses.	2019-09-11
690.	Laura McGillycuddy	Cheddington	Lovely cafe, excellent resource for young families.	2019-09-11
691.	Melanie Bradding	Tring	I am signing this because this is an amazing cafe and a great place for mums and toddlers to meet up and have some adult conversation. There is not anywhere else in Tring with similar activities for toddlers and parents to enjoy.	2019-09-12

694. Becca Brown	TRing	I use this facility regularly, it's much needed in Tring, and is ridiculous to say it's the cause of the issues of parking on brook street. There is not enough parking on Brook street for all the house owners to have 2 cars which is the norm now, plus there are many other businesses in the unit which have several customers e.g the gym, garage, wedding dress shop etc. You can tell by the Prams outside doodle that many visitors walk there from local surrounds.	2019-09-12
695. Joanne Arrighi	Tring	This cafe has a lot of value to the local community.	2019-09-12
696. Donna Garbett	Tring	I live local and this place is essential round tring for our children	2019-09-12

702. Rachel Hughes	Great Missenden	Doodle caboodle cafe is a great asset for the local community. I had never been to Tring but it bought me to the area and I have now been a couple of times to the town and I wouldn't have if it hadn't of been for the cafe.	2019-09-12
703. Jonathan Brooks	Aston Clinton	It is a great facility and well needed in the area. The council should support this enterprise and help with the parking issues not simply threaten to close the business.	2019-09-12

706. Ricky Levenston	Tring	We regularly visit with our children and it would be a loss to the local community.	2019-09-12
707. Julie Palmer	Buckingham	The cafe is one of the safest, friendliest, reasonably priced premises to take my grandchildren. Whilst visiting I have used several of the business which others I wouldn't have known about.	2019-09-12
708. Sue Selfe	Tring	The reason that this might be closed down seem totally unjustified. With clothes shops, a gallery and a gym, the cafe is not the only one bringing in customers to park. The food smells should be able to be dealt with, if they even exist!	2019-09-12
709. Kirsty Lee	Berkhamsted	I am a regular user of the cafe. I have never parked anywhere dangerous. If there are no visitors spots on site I park in the town car park and walk down. Don't close a much needed place for many because of the stupidity of a few!! There must be a way to work together to solve the parking issues.	2019-09-12

710. Alison Wilks	Tring	This is a wonderful cafe for a busy market town, which has many young families. There is more than enough parking within the local area, unfortunately and by no means the cafes fault, people are lazy and cannot be bothered to walk the short distant from a town centre car park. I don't feel that this family run business should suffer and have to close due to other people laziness. I fully support the cafe to stay open and continue bringing happiness to local families.	2019-09-12
711. Kim Smith	Herts	Tring needs doodle caboodle cafe. Tring is full of children!	2019-09-12

727. Sam Clapham	Pitstone	Doodle caboodle is a great addition to facilities for children in Tring. There are plenty of other local parking options as well so shouldn't be a reason to close completely.	2019-09-12
728. Paul Brooks	Chesham	This is a brilliant facility without equal in Tring and the biggest losers from its closure will be children. The complaints raised by the Council apply to 90% of shops, cafes and restaurants in Tring. Be fair and grant Change of Use or close down all the others businesses that cause traffic congestion in Tring.	2019-09-12
729. Sarah Brooks	Aston Clinton	It is a really lovely place and I love going there with my daughter. We would be so sad to see it go as there is no other similar family place in Tring!	2019-09-12
730. Stephanie King	Dunstable	I love taking my little on to Doodle Caboodles cafe. I have used it as a carer when I nannied for two small children and I have continued to use it to meet friends with small children for a play date it's a lovely little spot and I've never had any issues with parking within the grounds there's always been a space when I've visited.	2019-09-12
731. Elizabeth Niedzwiecki	Aston Clinton	This much needed amenity for parents cannot he blamed for lack of parking in an industrial estate with many businesses who have customers parking there. There are never smells of food lingering as you approach the area and the staff and owners have worked tirelessly to create a fun and accessible place for parents to use, whilst still serving great quality, delicious food. There is no other amenity like this in the area and if it were to close it would be greatly missed.	2019-09-12

767.	Laura Lee	Leighton Buzzard	This is such a fantastic place and a real asset it Tring and the surrounding area. Please don't let ridiculous bureaucracy prevent people from setting up businesses and enterprises which give so much more to communities than the big companies on every high street who can fight battles like so easily but don't contribute half as much to their surroundings.	2019-09-14
768.	Vicky Gough	Leighton Bzzard	I always park further down the road in car park so as not to restrict parking for other businesses. All the businesses in the Silk Mill estate generate cars, why should this one be singled out. This is a lovely business and I use it frequently, I also like to support local businesses.	2019-09-14
