Decision:

Dacorum Heritage Trust have been funded by DBC from 2011, originally as part of the Strategic Partner Programme. This programme no longer exists, but it is widely recognised that the support provided by the Dacorum Heritage trust is of great cultural and historical value to the area, providing unique opportunities for residents, visitors and schools to understand the rich and diverse past in Dacorum.

The Council is proposing to extend the arrangement for the Dacorum Heritage Trust, which will see the current funding levels continue for 2021/22, under a Service Level Agreement. This decision supersedes portfolio holder decision on Heritage funding (PH-010-18).
