He advised that the officers had inspected the site and their recommendation could be found on page 7 of the agenda.

Councillor Bassadone asked if any of the members present were on the Development Management committee and if there had been any concerns raised. Councillors Conway and Whitman said they were both on the Development Management Committee and no issues had been raised.

There were no more questions.

It was proposed by Councillor Whitman and seconded by Councillor Bassadone to approve the application.

Resolved:

That, the Licensing and Health and Safety Enforcement Sub-Committee agreed to approve the application for a camp site licence, subject to the conditions at Annex 1 of the report.

R Hill advised the applicants that the Environmental Health team would issue the licence in due course.
