9 CONSTITUTION - SUBSTITUTE MEMBERS

That, Council unanimously approved the changes to the Member substitution rules as set out in the paragraphs below, and authorised the Monitoring Officer to make the required changes to the Constitution to give effect to these changes.

- 1. The rules relating to substituting members where members are unable to attend a relevant committee or sub-committee are contained in Part 4 of the Constitution and currently require Council to agree a number of members (maximum three from each political party) for each committee or sub-committee.
- 2. The substitute members for each committee and sub-committee are currently agreed in advance at annual council each year.

3. In order to widen the pool of members who may attend as substitutes it is considered that it will assist the Council if the limitation on the maximum of three members from each political party is removed and allow all members to attend any committee or sub-committee as substitutes if they are nominated by their leader or deputy leader.
4. The substitute member must be of the same political group as the member substituted and the only other limitation proposed on nominating a member as a substitute is that in respect of the Regulatory Committees, which are Development Management Committee, the Licensing and Health & Safety Enforcement Committee, the Licensing and Health & Safety Enforcement Sub Committee, the Licensing of Alcohol & Gambling Sub Committee, the Appeals and Reviews Committee and the Audit Committee; the nominated substitute must have received prior training.
