Agenda Item	Decision
<p>5 Motion</p>	<p>The following Motion was proposed by Councillor England and seconded by Councillor Barry:</p> <ol style="list-style-type: none"> 1. This Council notes that Universal Credit, the single monthly benefit payment which replaces the six current working age benefits, has now been implemented across most of the country, but has yet to be rolled out to all benefits claimants in Dacorum. 2. This council further notes that within Dacorum the number of people affected is likely to be in the thousands and is concerned that the full implementation of Universal Credit in Dacorum is likely to prove seriously detrimental to the health and wellbeing of those thousands of local residents. 3. In recognition of this and of the fact that the move to full implementation of Universal Credit in other parts of the country has resulted in considerable financial hardship for many of those people moving onto this new system of benefit payments; council requests that before the full roll-out of Universal Credit across the Borough of Dacorum, measures are found to alleviate hardship caused by - <ol style="list-style-type: none"> a. The five week wait for claimants to receive their benefits. b. Payments going to one named member of a household. c. The rent element of benefit being included in payments to Claimants 4. To support the measures taken to alleviate hardship, the council requests that an additional financial provision be included in the budget for 2020/2021 to provide for hardship payments and/or loans. 5. In addition, Council requests that the Leaders of the Political Groups of the Council write to the Secretary of State for Work and Pensions to urge that amendments to Universal Credit be introduced that will - <ol style="list-style-type: none"> a. End benefit sanctions as there is no evidence that sanctioning helps people into work. b. Allow all new claimants to apply for Universal Credit in job centres supported by trained job centre staff rather than forcing new claimants to apply on-line. c. Abandon the in-work conditionality for part-time or low paid workers. d. Increase the overall level to which Universal Credit is funded. <p>A recorded vote was held:</p> <p>18 for (Councillors Hollinghurst, Ransley, Townsend, Pringle, Link, McDowell, Cloughton, Allen, Stevens, Taylor, Symington, Barry, Freedman, Woolner, England, Tindall, Hobson and Uttley)</p> <p>28 against (Councillors Beauchamp, Williams, Sinha, Johnson, Peter,</p>

<p>6 Questions</p>	<p>Councillor Pringle asked the following question in writing to the Leader of the Council:</p> <p><u>Protection of EU citizens' rights in Dacorum</u></p> <p>In view of recent advice to the government, as outlined in House of Commons Library briefing paper No: 8772 (Annex 1 below) and the deadline for EU citizens to apply for settled status being just 18 months away (Annex 2 below), does the Leader agree that it is incumbent on all levels of government to take responsibility for assisting EU citizens who have built their lives in the UK?</p> <p>Does the leader agree that DBC should be doing all we can to ensure those EU citizens resident in Dacorum can optimise their opportunities of successfully apply for settled status rights.</p> <p>In particular:</p> <ol style="list-style-type: none"> 1. Will the Leader ensure that Dacorum Borough Council will take all reasonable and necessary steps to assist EU citizens resident here, particularly the vulnerable, with applications for settled status? 2. In particular, will he pledge to introduce the following measures: <ol style="list-style-type: none"> 1. Immediately provide easily accessible information and support to EU citizens on the DBC website. This would include a letter from the Leader to EU citizens outlining in plain language that EU citizens are welcome in Dacorum and the support that they can access in applying for settled status (such as the example set by the leader of Vale of White Horse District Council Annex 3) and links to government information. 3. Set up an urgent review of services to consider how DBC can further offer support to EU citizens in Dacorum in terms of: <ol style="list-style-type: none"> 1. Helping with process 2. Providing additional resources necessary, such as computer terminals in libraries for those who do not have the app 3. Fast tracking requests for evidence of residence in Dacorum to support Settled Status applications and training staff to proactively assist such applicants 4. Training staff to generally support and advise residents making such applications 5. Commit to providing the funding necessary to reach out to vulnerable groups, such as <ol style="list-style-type: none"> 1. providing grants to outreach groups and

But it has been estimated that about 30% of EU citizens may struggle with the EUSS application process, whether due to a lack of awareness of the scheme or difficulties making an application or proving their eligibility. They are therefore particularly vulnerable to losing their status and entitlements in the UK. Groups identified include the elderly, people with limited English, children and young people in the care system, homeless people, people who arrive soon before the deadline and people in casual employment.⁸</p> <p data-bbox="432 931 1369 1032">Another major concern the 3 million have is that the government has rejected calls to issue physical proof of status documents to people who successfully apply to the EUSS. The WA states that the deadline cannot be less than six months after the end of the transition period (therefore, 30 June 2021, unless extended). The government has been criticised for not setting out in any detail its intended approach towards people who miss that deadline.</p> <p data-bbox="432 1503 560 1532">ANNEX 3</p> <p data-bbox="432 1570 1286 1599"><u>Sample letter from Leader of Vale of White Horse District Council</u></p>

You might need to apply to the government for "settled" or "pre-settled status" in the UK – if you do not do this as soon as possible, you might not be able to stay in the UK in the long term. Councillor Williams advised he didn't intend to write a letter such as the one by Councillor Emily Smith as he didn't feel it served much purpose and felt that the majority of EU residents in Dacorum would already be aware that they are welcome in our community.</p> <p data-bbox="432 1368 1414 1704">Councillor Pringle asked if the Leader agreed that a comprehensive public information campaign warning all citizens of Dacorum of the risk to vulnerable people is required. Councillor Williams replied no and explained that the Government had a comprehensive programme and that is targeted at those citizens that need to apply. He added that there was another 18 months to apply and was positive that the vast majority of people have already applied and that any vulnerable individuals would be supported. He felt that adding the leaflet in the council tax bills would reach every person/household so they would have the information they needed to apply if they hadn't already done so.</p> <hr data-bbox="427 1771 1422 1776"/> <p data-bbox="432 1805 1390 1879">2.
