There are limits on how much of each meeting can be taken up with people having their say and how long each person can speak for. The permitted times are specified in the table above and are allocated for each of the following on a 'first come, first served basis':

- Town/Parish Council and Neighbourhood Associations;
- Objectors to an application;
- Supporters of the application.

Every person must, when invited to do so, address their statement or question to the Chairman of the Committee.

Every person must after making a statement or asking a question take their seat to listen to the reply or if they wish join the public for the rest of the meeting or leave the meeting.

The questioner may not ask the same or a similar question within a six month period except for the following circumstances:

- (a) deferred planning applications which have foregone a significant or material change since originally being considered
- (b) resubmitted planning applications which have foregone a significant or material change
- (c) any issues which are resubmitted to Committee in view of further facts or information to be considered.

At a meeting of the Development Management Committee, a person, or their representative, may speak on a particular planning application, provided that it is on the agenda to be considered at the meeting.
