1. GENERAL PRINCIPLES FOR FEE SETTING

- 1.1. Dacorum Borough Council has statutory responsibility for the administration and enforcement of a wide range of licences, registrations and permits. Many of these schemes allow the Council to charge a fee, payable by an applicant for a licence, in order to cover the costs (or a proportion thereof) of the administration of those licence types. In some cases, costs are also permitted to cover other aspects of providing the regulatory scheme, such as enforcement.
- 1.2. The basis in setting such fees is generally to ensure full cost recovery, or as close to it as possible. Numerous legal cases over the years have confirmed that licensing fees may not be used to generate a profit for councils, and that fees should be reviewed regularly to ensure that neither a significant surplus nor deficit is created. Surpluses or deficits may be carried forward to future years to be redistributed or recouped, as applicable.
- 1.3. Many licensing schemes fall within the definition of 'services', and are therefore subject to the EU Services Directive, incorporated in to UK law as the [Provision of Services Regulations 2009](#). For such schemes, fees and charges must "be reasonable and proportionate to the cost of the procedures and formalities under the scheme and must not exceed the cost of those procedures and formalities". This principle was affirmed by the UK Supreme Court in [R. \(on the application of Hemming \(t/a Simply Pleasure Ltd\)\) v Westminster City Council](#).
- 1.4. In the above case, the Supreme Court referred one issue, on the legality of a demand for upfront payment relating to the ongoing enforcement and compliance of licensing and regulatory schemes, to the European Court of Justice for consideration. The ECJ issued its judgement in November 2016, stating that the law precludes any requirement for payment at the time of submitting an application, of part of a fee which relates to the ongoing management and enforcement of the authorisation scheme concerned, even if that part is refundable if that application is subsequently refused. As a result of this, and earlier decisions in the Hemming case, fees for licence types which fall within the scope of the Services Directive are now set in a two-stage structure:
 - an initial application fee payable at the time of application, representing the authority's costs in considering and determining the application;
 - A subsequent licence fee payable upon the grant of the application but prior to the issue of the licence, covering the costs of ongoing enforcement and compliance checks of the authorisation scheme, and any other costs which the authority is permitted to recover through its licence fees.
- 1.5. The key exclusions from the above provisions relate to gambling and taxi licences, as those categories of services are excluded from the Directive and the 2009 Regulations. Fees in connection with taxi applications are defined in the subject legislation as licence fees, as they are payable for the grant of a licence, not for an application (ancillary charges, e.g. DBS checks, are payable at the time, however). Gambling fees are treated as application fees, as the legislation makes no provision for refund in the event of an application being unsuccessful. Fees under the Licensing Act 2003 for alcohol/entertainment licences, which are set nationally within legislation, are also treated as application fees as the legislation is again silent on the subject of refunds.

1.6. The table at Annex A summarises the Council's powers to set its fees in respect of licensing applications, and any limitations on those powers.

2. CURRENT POSITION AND PROPOSALS

2.1. A proposed list of service-wide fees and charges (excluding those fees set by statute or under executive arrangements) for the period from 1 April 2023 to 31 March 2024, is appended to this report as Annex C.

2.2. In addition to the general explanatory note at para 1.4-1.5, the following comments are made to appraise the Committee of the current position with regard to fee setting in recent years:

- a) During the 2021-2022 budget round, the Licensing Team Leader left the Council, and was replaced at that time by an interim Team Leader, who did not undertake a fee setting exercise. Following the departure of the interim Team Leader in January 2022, a report was presented to seek authorisation from the Committee in March 2022 to continue charging the existing fees for a further year. This effectively means that the fees have not been re-calculated since January 2021.
- b) For the 2023 budget round, all services are subject to a 10% uplift which has been corporately agreed at senior level. While the existing fees were previously calculated in accordance with regulations and statutory guidance (see Annex A for summary powers), this year officers are instructed to apply the uplift and seek approval for this. The percentage increase is shown on the proposals set out in Annex B, but it should be borne in mind that these fees have not changed since 1 April 2021.
- c) In addition, this year has seen the introduction of the Taxis and Private Hire Vehicles (Safeguarding and Road Safety) Act 2022, (<https://www.legislation.gov.uk/ukpga/2022/14>) which requires local authorities to check all new drivers to ensure they have not been refused or revoked by a previous authority. This has financial implications for the service due to the need to subscribe to the National Fraud Network, and pay an annual fee to use the national database which is set up and administered by them.

Alcohol/entertainment fees

These continue to be set nationally in legislation, at levels which have not changed since 2005. In November 2017, the Government responded to a House of Lords Select Committee report examining the legislation for these licences, stating that the Government had decided not to commence statutory powers allowing licensing authorities to set these fees at a local level, citing additional costs facing licensed premises as a result of business rates revaluations. Given this history, and the severe impact that the pandemic, inflation and subsequent cost of living crisis has had on the hospitality industry, it seems likely that these fees will remain at current levels for the foreseeable future, which result in a substantial deficit against costs, with the only way to reduce this burden being to continue to look at how we can deal with such licences as efficiently and economically as possible, whilst meeting our statutory responsibilities.

Animal licences

The Council is now 4.5 years into this legislation, and approaching a five year legislative review by October 2023. At this point it is not known what, if any, changes are proposed but any process changes made in the review that have implications for

officer time or training will be examined in the following year's budget round. At present, applications require quite a large amount of work in checking documents and assisting and advising applicants.

Some slight change has been factored in to Animal boarding franchise applications and renewals due to the lack of requirement to inspect the franchisee's premises. Therefore, the costs for inspections have been removed from the application fee in this case. The 10% uplift has been applied to the revised figures. Dangerous wild animal licences (currently 1 in force) and zoo licences (0 in force) remain separate from the new licences, due to their specialist nature.

Caravan Site Licences

Caravan site licensing fees can only be set by review of the Council's Mobile Homes Fees Policy, and this review will be presented to a future meeting of the Committee.

- 2.3. Comparisons with fees charged by other authorities, comparisons with inflation rates or other indices (including regulated taxi fares) or responses generally opposing an increase as it will raise costs for businesses should carry little weight. In previous years almost all of the responses received to consultations have fallen under these descriptions, as it is very difficult for third parties to make any other comment on the costs incurred by the licensing authority.
- 2.4. For fees covered by a public notice requirement, an opportunity will be available to make representations on the proposed fees prior to their going live, following the publication of a public notice in a local newspaper. The authority must consider any representations received prior to deciding whether to go ahead with the proposed fee levels.

3. RECOMMENDATIONS

- 3.1. In pursuance of the fee-setting powers conferred upon the Council as specified in Annex A of this report, that the Licensing, Health & Safety and Enforcement Committee set as the fees and charges payable by applicants in connection with applications and other processes for licences, registrations and permits the fees and charges as set out in Annex C, for the period from 1st April 2023 to 31st March 2024; and**
- 3.2. That authority to consider any objections arising from statutory notices pertaining to these fees be delegated to the Assistant Director (Legal and Democratic Services) in consultation with the Chairman of the Licensing, Health & Safety and Enforcement Committee.**
