Changes since December Joint OSC meeting

2. There have been some major changes to the draft budgets since the meeting of Joint OSC on 6 December 2016. A detailed breakdown of the General Fund changes is included in sections 7 - 18 of this covering report.
3. The changes set out in Table 1 highlight the changes arising from the Provisional Local Government Finance Settlement released on 15 December 2016, some minor additional pressures, and additional income arising from analysis that had not been concluded at the time of the Joint OSC in December.

5. None of the changes are highlighted within the separate budget pack because the intention is for the packs to be used throughout the year rather than specifically for this meeting. However, in order to assist Members with their scrutiny, the major changes are detailed below, by OSC.

6. A number of technical adjustments have been required since the December Joint OSC. These do not affect the bottom line position for the General Fund and are asterisked in the appendices.
 - The adjustment required for insurance reflects the centralisation of the costs into Finance and then the reallocation through the recharge mechanism.
 - The adjustment required in benefits accounting reflects the reduction in benefits payments and reclaiming of the subsidy grant following the ongoing central government welfare reform programme.

Finance & Resources OSC

7. Government Funding (General Fund)

The Provisional Settlement has been received since the December meeting. The only change has resulted in an increase in New Homes Bonus grant (£1,885k).

8. Increase in Revenue Contribution to Capital

The increase in Revenue Contribution to Capital (£1,981k) reflects the Council's continuing strategy of using New Homes Bonus to finance the capital programme.

9. Pensions (General Fund)

This is the impact (£412k) of the employer's contribution increasing by 2.5% following the outcome of the triennial valuation. This will be shown against all employee costs in all scrutiny committee areas.

10. Apprenticeship Levy (General Fund)

Additional minor pressure (£14k) to account for adjustments required for statutory levy rechargeable to HRA.

11. Council Tax & Collection Fund (General Fund)

Increased income of £240k has arisen from a surplus (£82k) on the Collection Fund and an increase in the tax base (£158k) following calculations since the December meeting.

12. Insurance (General Fund)

Additional funds for insurance premiums now not required following conclusion of tendering exercise and the award of contract.

13. Multi Storey Car Park (General Fund)

Adjustment required to reflect revised likely construction period reduces income pressure in 2017/18 by £90k.

14. Interest (General Fund)

Adjustment required (£96k) to correct budget showing on wrong line in 2016/17.

15. Benefits Accounting

Reduction in benefits admin subsidy (£47k) not as high as previously anticipated.

Strategic Planning & Environment OSC

16. Cessation of Primary Authority function (General Fund)

Reduction in employee costs (£91k) and associated income (£121k) to reflect decision to cease primary authority function following review in Regulatory Services.

Housing & Community OSC

17. Review of Leisure Provision (General Fund)

Review of leisure provision within the Borough (£200k) to be funded from earmarked reserves.

18. Additional Electrical Testing (HRA Repairs & Maintenance)

To allow for electrical testing to be undertaken on a cyclical basis following the publication of new testing guidelines (£500k).

SUMMARY OF MAJOR MOVEMENTS IN HOUSING REVENUE ACCOUNT BUDGET 2016/17 - 2017/18

Dwelling Rents

The budget for Dwelling Rents reflects the 1% reduction in social rents announced by the Government in July 2015 (reduction of £550k). The budgeted average dwelling rent is proposed to decrease from £104.80pw in 2016/17 to £104.17pw in 2017/18, an average decrease of 0.6% (net of increases for new tenancies during 2016/17). A reduction of £500k has been made to account for an increased level of sales under the Right to Buy policy. The 2017/18 budget also includes a correction of £115k to the Supported Housing budget, following a review of the charges implemented as part of the statutory reform to housing rents.

Tenant Service Charges

The budget for Tenant Service Charges reflects an increase of £235k as a result of the proposed de-pooling of rents and service charges. An increase in the number of Lifeline customers and a price review is also expected to generate an additional £39k. An adjustment of £180k has been made to Tenant Service Charges to reflect rental income for supported housing of £180k which was previously budgeted in this category, but has now been budgeted correctly in Dwelling Rents.

Repairs & Maintenance

The budget for Repairs and Maintenance has increased by £569k (5.3%) to reflect the Council's asset management strategy of maintaining high quality housing stock that meets the locally determined "Dacorum Standard". The increase allows for inflation, pressures identified during 2016/17, and an allowance for maintenance of new build properties. An additional £500k has been built into the budget for 2017/18 to allow for additional electrical testing to be undertaken on a cyclical basis following the publication of new testing guidelines.

Supervision and Management

The budget for 2017/18 reflects inflationary increases across services. There is an increased recharge of £90k for Commercial Properties owned by the General Fund that are being used for HRA tenancies. An increase of £125k is due to the rise in Employer's pension contribution from 16% to 18.5% following a review of the pension provision.

Provision for Bad Debts

The provision for bad debts has been increased by £50k in line with prior year's out-turn.

Depreciation

The budgets for depreciation have increased to reflect an increase in capital assets as a result of the new build programme, combined with inflation in house prices.

Revenue Contribution to Capital

The remaining balance of £9m will be contributed towards capital expenditure in line with the capital programme.
