ANNEX C1

From: [mailto:
Sent: 12 August 2017 20:20
To: Licensing Mailbox
Subject: Application ref M043725: Olive Indian Restaurant, 16-18 Lawn Lane

Dear Sir/ Madam

I am writing to express my concerns and object to the recently submitted application for licensing of the new Indian restaurant on 16-18 Lawn Lane.

I am a resident of Lawn Lane and I am seriously concerned if the premises is granted a license to sell alcohol and play live music we will be subject to noise from the live music and from diners and revelers leaving the venue late at night.

The premises does not have dedicated parking, all customers dining will park their cars on our road. As residents we already face daily problems where we cannot gain entry or exit our driveways, as they are blocked by motorists parking their vehicles illegally. I understand there are 40 seats available at the restaurant, and therefore at full capacity we could have an additional 20 cars parking on our road.

I have an elderly mother who lives with me, and it is imperative that I have exit access to my driveway at all times.

I look forward to hearing from you.

Yours Sincerely

Sent from my iPad

Subject: Objection to Licence at Olive Restaurant Lawn Lane

I would like to express my objection to the current licence application for the above mentioned premises. As a resident living directly across from the premises my main concerns are the noise - it is noisy enough on Lawn Lane without another premises with a closing time that may include people leaving the premises creating noise. Regarding live music I do not wish to hear this whilst relaxing in my living room. The other main objection is parking. All too often I cannot access my dedicated parking space as other have parked in front of it for no thought to the residents and their access. This is bad enough with the take away trade that is in the area but with a restaurant where people are likely to remain longer I believe the situation will only worsen. At least reinstate the no parking signage on the pavement in front of the properties 39 - 45 Lawn Lane and perhaps introduce parking permits for residents.

Regards

Subject: RE: Licensing team

Dear Ms McDonald,

Thank you for responding to Mrs ***** objection email. We will try to explain Mrs ***** concerns a bit further.

On top of the parking issues already mentioned, Mrs ***** feels that revellers leaving the restaurant late at night after closing time, which we believe will be midnight, may be under the influence of alcohol and may well be rowdy at that time of the night; disturbing herself as well as the other neighbours. There are young and old residents in this area and noisy night revellers will disturb them as well as possibly frightening them. There is enough entertainment in the area as it is. Enticing more alcoholic loud music lovers won't make the area any better. It'll take away our peace and security of being safely tucked up in our homes, safe and secure. It may also make the area a less desirable place for future residents to want to invest in.

Doubt will set in with present residents and the revellers that cannot hold their alcoholic intake will no doubt be depositing it back onto our roads near or outside our homes! Something our children do not need to see. We have clean streets, we'd like them to stay that way please!

I hope we have managed to express Mrs ***** concerns over the granting of the licence a bit further.

Yours sincerely,

Subject: Application Ref: M043725. Olive Indian Restaurant, 16-18 Lawn Lane, Hemel Hempstead

We are writing to object the application for a fully licensed restaurant, with live music in Lawn Lane.

Our main issue is parking. We are constantly being blocked in or out of our drive as it is with people that selfishly leave their cars and go to work in the town. The restaurant would only increase the number of cars parking in and around Cedar Walk. The restaurant would also create more noise late at night with their live music.

Another concern is that cars are constantly parked on both sides of the road at the junction with Lawn Lane onto Cedar Walk thus causing an accident waiting to happen. We don't understand why this isn't monitored more closely or at the very least have double yellow lines. Having a restaurant would only increase cars parking dangerously on this junction.

Kind regards

Cedar Walk

Subject: Application M043725 - 16-18 Lawn Lane

Dear Sirs

I write in response to the application for a full restaurant license at 16-18 Lawn Lane, to which I strongly object.

Whilst I would have no difficulty with a takeaway restaurant in principle, a fully licensed restaurant with the ability to sell alcohol would be detrimental to the peace of the neighbourhood, disturbed as it is by noise from the pubs and restaurants already on Lawn Lane.

Furthermore the parking along the northern end of Lawn Lane is already extremely congested with numerous vehicles trying to find spaces on and around the main road. The granting of this license would add the need for a further 20 or so cars at full occupancy, exacerbating the parking issue and causing further disruption to residents in the areas around.

I urge the council to reject the application.

Subject: Application Ref M043725

Dear team

I have seen the new licence application for the Olive Indian Restaurant on Lawn Lane. Whilst I am keen to encourage restaurants rather than more takeaways in this area, I do want to raise three issues that concern me as apart from the line of takeaway restaurants, Lawn Lane is a residential road with limited parking.

1. My concern is the volume of noise from the evening music, especially on a Sunday and school nights. It is not a problem to entertainment, karaoke, live or recorded music, but it is taking into consideration that families do not want to try and have an evening in or sleep whilst music is pumping. The restaurant should put a clear and transparent process in place for residents to let them know if there is a problem with noise and to immediately deal with the issue. This would save months of recording and involving the council teams.
2. The permit for supplying alcohol which can be consumed off the premises. Again no problem with the supply of alcohol for consumption within the restaurant, but there is already a problem with groups of people sitting on the grass banks opposite the takeaway drinking and shouting late at night. I would not want to limit customers for the behaviour of a few, so I would suggest that it is carefully monitored. For example if diners ordered a bottle of wine and hadn't finished it, they should be allowed to take that with them when they leave. Also if a takeaway order customer wished to add wine to their order, this would be allowed. However the sale of alcohol only should not be allowed.
3. Parking is an issue already on Lawn Lane, with driveways often blocked or partly blocked as people try and squeeze into bays because the parking here is free. To ensure parking continues to be permit free, I wonder if the restaurant could come to an agreement with a local business to share their car park and offer this to customers ensuring that they do not have any problems parking when coming to the restaurant.

Thanks

22nd August 2017

Dear Sir

Objection to APPLICATION REF MO42725, Olive Indian Restaurant, 16-18 Lawn Lane

As you can see, I am a resident of Lawn Lane which, like many parts of the Borough, has very serious parking problems. Some residents are lucky enough to have a car port, but the vast majority rely upon the permitted parking spaces on the wide pavement on one side of this busy road. Until very late at night there are many take away food establishments and other businesses operating in Lawn Lane that attract visitors whose cars exacerbate parking problems for residents. However, most of these visitors stay for a relatively short length of time by virtue of the type of businesses concerned.

The business proposed by the applicant is quite different and by its very nature will involve prolonged stays by its clients. As the premises of the proposed licensed restaurant has no parking of its own this will increase the pressure on parking on Lawn Lane and surrounding streets such as Cedar Walk and Corner Hall Avenue in the evening when residents are at or returning home. There have already been several accidents on Lawn Lane where double parking or other types of illegal parking have been a contributing factor and this business would increase the danger of such accidents.

As a local Councillor, I am usually very much in favour of encouraging new enterprises in the Borough and I have no problem with the many take-away eateries on Lawn Lane, which include other Indian food establishments and which provide a useful service for residents in the area as well as short stay visitors. However, the proposed eat-in restaurant will provide more problems for residents than the service offered is worth and is inappropriate in this location. I therefore respectfully request that you refuse this application.

Yours faithfully

Subject: Ref: MO43725. OLIVE INDIAN RESTAURANT, 16-18 LAWN LANE

Dear Sir.

The Olive Indian Restaurant – Licensing Request.

As I live adjacent to the above, I object strongly to; late, noisy karaoke evenings, fuelled by alcohol.

Specifically, my concerns are:

- **Tribute bands or Karaoke:** I totally object to loud music on consecutive nights in a residential area. The Olive Indian restaurant is in extremely close proximity to a large residential area, in fact, just across the road! I would like to point out that there are residents in this area whose jobs will be compromised by lack of sleep. Residents including paramedics, nurses, bus & train drivers, all of who work shifts, with the lives and safety of many people in their hands.
- They should certainly not need to move house to get essential sleep.
- During the summer months, residents will want to have their windows open during the day and night, and I for one, would certainly want to relax in my garden to hear the birds sing and children laughing, and then have quiet so I can experience essential sleep, not disturbing loud tribute bands or disturbing loud karaoke dominating the air from mid day onwards. The stress created will be totally unreasonable.
- **Parking:** The Olive Indian Restaurant does not have dedicated parking, it's very near The Plough Roundabout, which gets very busy and congested, the roads off Lawn Lane, which are not permit holder parking, will have their parking issues compounded by the extra load from the restaurant, we already have problems from people parking to go shopping, get the train or bus, or to collect a take-away.
- **Effects on other Entities:** This parade's establishments are mainly take-away food outlets. It is not unusual to have to dodge discarded; food that people have thrown on to the footway, packaging, drinks bottles and vomit!
- Already, we have our sleep disturbed by essential emergency vehicles, as most of these emergency vehicles pass through the Plough roundabout with their sirens on.

I hope this gives you an insight to the problems residents in this area already have to deal with. Everybody wants to have peacefulness. They want to come home after a hard day's

work and relax, whether in the garden or their home in peace and quiet, to unwind from the stresses of a day's work, and get to sleep at a reasonable hour, ready for an early riser and work the following day.

Will you also seek the advice of Environmental Health on these proposals and report their findings to me and the Licensing Authority please?

Yours Faithfully

Hemel Hempstead

ANNEX D

Local Policy considerations and statutory guidance

Local Policy

Public Nuisance

5.12. The licensing authority will interpret the term 'public nuisance' widely, and when considering this objective will take into account issues relating to noise, vibration, light, litter, offensive odours and anti-social behaviour arising from or in connection with public nuisance

5.13. This objective does not mean the complete prevention of all of the above issues, but rather the prevention of such unreasonable levels of these as would constitute a nuisance to the public or a section thereof. A degree of noise, for example, is an inevitable consequence of the provision of most forms of regulated entertainment. The licensing authority will therefore seek to exercise its powers in a way which promotes the licensing objective, to discourage and eliminate the carrying on of licensable activities in a way that causes unreasonable inconvenience, upset or distress to others through the provision of licensable activities.

Applications

9.1. Every matter requiring determination by the licensing authority will be considered on its individual merits, and in doing so the authority shall have regard to this Statement, the Guidance, and the need to promote the licensing objectives. Where applicable, an evidentiary hearing will be conducted prior to the determination of the matter, in full accordance with Regulations made under the Act.

9.3. Where the authority's discretion is engaged, following receipt of a relevant representation or an objection notice, or in the case of review or minor variation applications, the licensing authority will apply the considerations set out below.

9.4. Almost all of the decision-making powers under the Act require licensing authorities to take such action as they consider appropriate for the promotion of the licensing objectives. The Act was amended to substitute 'appropriate' for 'necessary', a move which may be regarded as having increased authorities discretion in respect of the determination of applications. The licensing authority will now consider 'appropriate' in accordance with the standard dictionary definition: "suitable or proper in the circumstances".

9.6. When considering applications for a new licence, or a variation of an existing licence, the options available to the authority will generally include: granting the application as applied for, granting the application with amendments to the operating schedule or additional conditions, or refusing the application. The last of these options is clearly the most serious, and the authority will only look to refuse applications where it is satisfied that the proposed activities could not be carried on, even with modifications or additional restrictions, without a detrimental effect to the licensing objectives.

Licensing hours

10.3. Licensing hours should not inhibit the development of a thriving and safe evening and night time economy. This is important for investment, local employment, tourism and local services associated with the night time economy. Providing consumers with greater choice and flexibility is an important consideration, but

should always be balanced carefully against the duty to promote the licensing objectives and the interests of local residents.

10.4. The licensing authority expects that issues relating to licensing hours, and in particular measures to limit the potential for nuisance or disorder arising from later hours of trading, will be addressed by the applicant in their operating schedule.

10.5. In addition to their licensable activities, applicants are also expected to set out the proposed opening hours of their premises within their operating schedule. The licensing authority expects these times to be provided for all premises which may be accessed by members of the public, as these will inform the authority, responsible authorities and other persons of the full extent of the operation of the premises, and allow all parties to consider the application and the effect on the licensing objectives fully. The hours given should include all times when the premises may trade to the public (whether licensable activities are being provided or not), when individuals may be present on the premises.

10.8. The licensing authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence, stricter conditions are more likely to be considered appropriate for the promotion of the public nuisance objective in the case of premises that are situated in predominantly residential areas.

Licence Conditions

11.1. The licensing authority will seek to avoid imposing disproportionate conditions on premises. It will only impose conditions that it considers appropriate in order to promote the licensing objectives, and which are in themselves reasonable and proportionate.

11.2. Additionally, we will seek to ensure that conditions only pertain to matters which are within the direct control or the sphere of influence of the licence-holder.

National Guidance

Each application on its own merits

1.17. Each application must be considered on its own merits and in accordance with the licensing authority's statement of licensing policy; for example, if the application falls within the scope of a cumulative impact policy. Conditions attached to licences and certificates must be tailored to the individual type, location and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed may be unlawful where they cannot be shown to be appropriate for the promotion of the licensing objectives in an individual case.

Public Safety

Ensuring safe departure of those using the premises

2.10 Licence holders should make provision to ensure that premises users safely leave their premises. Measures that may assist include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks.

Public Nuisance

2.14. The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.18 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.

2.20 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Determination of applications

9.36 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation.

9.37 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

9.38 The licensing authority should give its decision within five working days of the conclusion of the hearing (or immediately in certain specified cases) and provide reasons to support it. This will be important if there is an appeal by any of the parties. Notification of a decision must be accompanied by information on the right of the party to appeal. After considering all the relevant issues, the licensing authority may grant the application subject to such conditions that are consistent with the operating

schedule. Any conditions imposed must be appropriate for the promotion of the licensing objectives; there is no power for the licensing authority to attach a condition that is merely aspirational.

Imposed conditions

10.8 The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

10.9 It is possible that in some cases no additional conditions will be appropriate to promote the licensing objectives.
