FOR STRATEGIC PLANNING
IN SOUTH WEST HERTFORDSHIRE**

STRATEGIC PLANNING IN SOUTH WEST HERTFORDSHIRE

Memorandum of Understanding

between

Dacorum Borough Council

Hertsmere Borough Council

St Albans District Council

Three Rivers District Council

Watford Borough Council

Hertfordshire County Council

This Memorandum of Understanding (MoU) sets out how cooperation between the five local planning authorities in South West Hertfordshire and Hertfordshire County Council will be managed in respect of strategic planning issues.

The Localism Act 2011 places a Duty to Cooperate on local planning authorities and county councils¹ (amongst other public sector organisations), requiring them to engage constructively, actively and on an on-going basis in the preparation of plans where this involves strategic matters. Local planning authorities will be tested in relation to legal compliance with the Duty at examination, as well as whether strategic cooperation has resulted in a 'sound' and robust approach to delivering strategic objectives.

The Neighbourhood Planning Act 2017² requires local planning authorities to "identify the strategic priorities for the development and use of land in the authorities' area and set out policies to address those priorities in the development plan documents, taken as a whole. This clause was included to allow greater flexibility in the way that local planning authorities prepare local planning documents, and specifically to support the preparation of 'strategic' local plans, whether prepared individually or jointly with neighbouring authorities. However, several recent announcements from Government on proposed planning reforms indicates

² Neighbourhood Planning Act Part 1, Section 8

strongly that the Government's preferred approach is for strategic priorities to be managed on a joint basis across housing market areas through the use of joint spatial plans.

Building on the existing strong foundations of cooperation developed through the Duty to Cooperate, the Local Authorities have agreed to move to a more formal approach to strategic planning. This will be developed through a 'portfolio' of plans, with a Joint Strategic Plan (JSP) setting out strategic spatial and infrastructure priorities that are considered to be of mutual benefit, prepared alongside a suite of Local Plans to manage delivery within each of the local planning areas.

Work on the JSP will be steered within the governance structure of the Joint Member and Officer Board (JMOB) to ensure that it aligns with other strategic priorities. Although the JSP will be prepared on the basis of collaboration, formal decisions on the JSP at key stages in its preparation (identified in each local planning authorities' Local Development Scheme) will be taken by the individual local planning authorities which will continue to retain the statutory local planning duty (as set out in the 2004 Planning and Compulsory Purchase Act and the 2017 Neighbourhood Planning Act).

A Statement of Common Ground (SoCG) will be prepared by the Authorities, setting out the process and timetable for the plan, what local delivery plans will be needed (and how current local plans will be managed through the transition process), governance and working arrangements, and the key evidence needed to support the JSP. Although the focus will be strategic development (housing and economic development) and infrastructure, other strategic priorities may be included where they are required to support delivery of the long term shared vision for South West Hertfordshire. The Statement will be reviewed on an ongoing basis and updated as and when needed. This will form key evidence to support the JSP and individual Local Plans and should therefore be made available on each of the partner authority's websites.

In preparing the JSP, all partners agree to:

- Engage constructively, actively and on an on-going basis in relation to strategic planning matters under the Duty to Cooperate (or equivalent processes);
- Ensure a broad and consistent approach to strategic planning and development issues in South West Hertfordshire;
- Support better alignment between strategic planning, infrastructure and investment priorities in South West Hertfordshire;
- Adhere to the governance structure set out in this document and ensure that activities are delivered, actions are taken and communications are made as required;
- Be accountable for ensuring that the role and responsibilities as agreed in the Statement of Common Ground are adhered to;

- Be open and communicate about concerns, issues and opportunities in respect of collaboration and joint working;
- Act in a timely manner, recognising the time critical nature of consultations, technical projects and plan preparation;
- Adhere to statutory requirements. Comply with applicable laws and standards, data protection and freedom of information requirements;
- Encourage, develop and share best practice in strategic planning matters;
- Ensure adequate resources and staffing are in place to undertake effective collaboration and joint working (resources to be agreed by the South West Hertfordshire Authorities through the Statement of Common Ground).

Area Covered

For the purposes of this MoU the geographic area of South West Hertfordshire applies to the administrative areas of Dacorum Borough Council, Hertsmere Borough Council, St Albans District Council, Three Rivers District Council and Watford Borough Council.

Status

This MoU cannot override the statutory duties and powers of the parties and is not enforceable by law. However, the parties agree to the principles set out in this MoU.

This MoU is not a development plan, nor a legally binding document, but will be used in the consideration of how the local authorities have jointly approached strategic planning issues and legal compliance with the Duty to Cooperate.

This MoU may be supported by other documentation, and other subject specific MoUs, which set out in more detail how the parties will work together to tackle more detailed matters with respect to strategic planning in South West Hertfordshire.

It is accepted that an individual party or group of parties that are signatories to this MoU may also be signatories to other MoUs between themselves, or with other parties outside South West Hertfordshire in respect of the Duty to Cooperate.

Key outputs of this MoU are:

- A Joint Strategic Plan (JSP) setting out strategic spatial and infrastructure priorities across South West Hertfordshire;
- A Delivery Strategy setting out how the strategic policy framework of the JSP will be delivered, accompanied by a risk assessment and risk management plan;
- A Statement of Common Ground setting out how a JSP will be delivered, what the evidence base is, including identification of various development needs;
- A JSP monitoring process to chart and monitor delivery of the JSP.

Governance, Roles and Responsibilities

Preparation of the Joint Spatial Plan and associated Delivery Strategy will be steered under the governance arrangements of a Joint Member and Officer Board (JMOB). Formal decisions on the JSP at key stages (to be set out in individual Local Development Schemes) will be taken by individual Local Planning Authorities on the advice and recommendations of JMOB. The JMOB will comprise the Leader and the Chief Executive (or equivalent) from each of the District/Borough authorities and the Portfolio Holder and Lead Planning Officer from Hertfordshire County Council.

A Strategic Planning Members Group (SPMG) will be accountable for the overall project management of the JSP, supported by a Strategic Planning Officers Group (SPOG). **The SPMG will comprise political representatives from each of the partners (to be appointed by individual authorities) with appropriate authority to direct progress with the SoCG and JSP.** The SPOG will comprise the Heads of Service (or equivalent) from each of the partner authorities, and the lead officer for strategic planning.

'Task and finish' groups will be used to develop specific policy areas, to be identified by the SPMG as and when needed.

Terms of Reference for all groups will be established, setting out the roles, responsibilities and administration. These will be agreed by all partners and reviewed annually to ensure they remain relevant.

Local authorities should ensure that adequate resources are provided in order to undertake the joint work programme as set out in the Statement of Common Ground. Additional resources may be provided by other relevant bodies, as agreed to undertake specified tasks under the work programme.

Review of the MoU

This MoU is effective from the date it is signed by the Chief Executive and Leaders of all parties. It will be reviewed as and when indicated through the Statement of Common Ground.
