Building Community Capacity - Empower local community action and delivery						
CYP01b - Number of young people attending Youth Clubs at Adventure Playgrounds	1312 Attendances Info Only	916 Attendances Info Only	877 Attendances Info Only		Updater Comments: Info only	No Info
CYP01a - Number of children attending Adventure Playgrounds	12121 Attendances Info Only	9993 Attendances Info Only	21291 Attendances Info Only		Updater Comments: Although figures are up on last quarter we have noticed a reduction from last year's quarter. The main drop is in the April, we do not know the exact reason for this but it could be that some schools are not following Herts County Council holiday dates (which we follow), which could be why numbers are lower in school holidays. This applies to academy status schools and these appear to be becoming more popular. We have also introduced tighter controls to ensure numbers are as accurate as possible.	No Info
