Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

HP1 1BA Application ref. no: M048066 Application type: LA2003 s.17 Premises licence - New
licence application

To whom it may concern at Dacorum Borough Council.

I note the above application has been submitted. I am the owner of ** The Square,
Marlowes, Hemel Hempstead, HP1.

I vehemently oppose this application for the following reasons:

1. There are young families requiring a decent nights sleep. Later opening and live amplified music will impair the rest and peace of the residents and area.
2. This will also attract crowds and the high potential for anti social behaviour with late night drinking, potential drug users/dealers etc.
3. The existing doorway to our block is already heavily urinated in. It will not assist this issue.
4. I have a concern there would be an adverse effect on my property value. If I wish to sell this would not be a benefit, if anything it would put purchasers off.
5. I appreciate there should be an area for late/live events. But 02:30 weekdays and 03:30 at weekends in a densely populated area is inconsiderate. A maximum late opening time of 01:00 at weekends would be acceptable. They are advertising 4am closing times on Friday and Saturday. Residents cannot do 7 days of late opening times.
6. Since opening Mode has been nothing other than a nuisance to residents. It has not assisted in clear ups, attracts undesirables, drugs, anti social behaviour, drunks, shouting and abuse in the locality upon closing. I don't think any further licenses will improve the situation.

I thank you in advance for your time. And hope you appreciate that having a nightclub below my flat recently approved has already significantly changed lifestyles.

I look forward to a speedy decision.

Kind regards

My name is ***** and I currently live at ** the square,marlowes *****.

I am writing in order to state my objection to the extended opening hours of the mode night club at 156 marlowes.as it stands,the current opening hours have had enough of an affect on my sleep patterns that i dread to think what it will do if allowed to operate all week.its hard to describe living above a night club,I live on the second floor so i dont have it as bad as the lady who lives downstairs or her neighbors with their toddler but when 11pm comes on friday and Saturday and that music starts,i can feel it.if i have company and wish to play music,the bass and beat will be cancelled out by the noise coming from below.

As for sleeping through it,it's strange,you can get used to certain sounds in the place you live,and after time you don't pay as much attention to them,like having the washing machine or tumble dryer going while you sleep,or the noises in the pipes when the central heating comes on.(i cant speak for the people who live below me)so over time i started to sleep through the music but every so often some daft beat or bass line will wake me and keep me awake.im normally woken once a night buy people screaming at each other and the police are a regular sight in their vans and such.the noise and behaviour of a ton of people all boozed up is something to behold,the staff do what they can and the taxis can be prompt but im guaranteed to wake up at every closing time if only to pass out again.with summer coming and open windows being required i know i probably won't be going back to sleep until most of the patrons have gotten their lifts home or drifted away.i won't try and number the amount of times ive watched someone vomit.though there was this time where a young man was seated in the bus stop fiddling with his phone like he was using two thumbs to type,he then then hurled all over said phone,hands,trousers and shoes.wiped the phone and tried to carry on.he was steamboat.

Ive seen a ton of scuffles,nearly always booze fuelled and accompanied by crying girls. girls crying because someone hit them,girls puking in the bin or screaming at each other about being a slag.ive had folks just buzzing the hell out of my intercom over and over or using the main entrance as a place to relieve themselves.on occasion vomit,though thankfully the second occasion was largely to the side of the door but still,down the step and on the pavement.

Dreading the shrieking and shouting etc this summer

With regards to stating how this license will undermine the licensing objectives i will try and be more clear.seeing as how mode already does a terrible job of controlling their patrons,especially at closing time as I mentioned already,i can't see how putting up signs asking people to leave quietly is going to make any difference,infact I expect they already have signs that obviously do very little and i doubt they ask everybody to act accordingly.i dont see how being open seven days a week can improve this.so I believe this undermines the objectives of crime and disorder and also public nuisance prevention.the police are regular visitors to the establishment which shows that one security person for every 100 patrons doesn't cut it.so granting the license just means ill be seeing them outside every night when security fails to control drunk patrons,thats if they haven't already left before the police arrive and decided to cause trouble elsewhere.is this type of explanation sufficient?

Sincerely

Night club noise

Reference No. 048066

Dear Sir/Madam,

I am writing to object about the new licensing hours being put forward, since living here all I can hear is music from my flat. I put earplugs in every Friday and Saturday night. Also there are people vomiting on our door step fights outside after the club has finished and general noise from the night club after it shuts. Nobody in our block of flats is happy with this night club being next to us.

Yours Faithfully

My name is ***** and I live at ** the square Marlowes.
I am against the MODE at 156 Marlowes new licening hours as they are a public nuisance. People leave the mode shouting, singing and fighting on Friday to Sunday early mornings 00:00 to as late as 05:30am. And I do not want this to become a daily thing. They do not hang around the club they move up the street and hang around outside my block and wake me up or it keeps me from sleeping which affects my mental health. Please do not exstand their hours.

As an owner of residential apartments in the market square I must oppose this new license request, it has already been proved that it causes discomfort, annoyance and anxiety to my tenants and other residents. Music being played well over legal limits and past permitted hours are only a couple of the complaints I have received over the years the other complaints are of the antisocial behaviour outside in the street of loud voices, swearing, fighting and litter not to mention using the entrance as a urinal, I had one tenant threatened with violence by the doormen when he complained about the volume of music one night, I Hope the incident was logged. When I first purchased my properties the venue in question was an electrical retailer before you people decided to grant Whitbread's the original licence and it has gone from bad to worse ever since, this is your chance to reverse this mistake.

We strongly disagree with the new opening hours. We have a 2 years old kid and the club has already affected us with weekend opening hours.
There is noise in the street, we can hear the music from our own flat, there are fights outside the club. And to add there is people urinating and vomiting in the doorway, using our intercom at 3/4 am waking us up.

We absolutely don't want this to happen every night. We need to think about the well-being of our child.

We hope you will consider our objection.

Thank you

To Whom it may concern,

I am the owner of flat ** The Square which is located in the building above the licenced premises know as Bar Mode.

I can not begin to express my concern with this application, the building is clearly residential and not a suitable place for a licenced premises full stop but one which extends past 11 o clock is totally outrageous. These buildings when they were built were never intended for this type of use so are not adequately sound proofed. How are people living above these premises expected to live a normal life if they are going to be subjected to sleep deprivation caused by excessive noise from this venue if the licence is granted.

Quite simply if you put yourself into the shoes of my tenant living in number ** you would not for a moment be willing to grant the lease, imagine if it was a relative of yours living there. Someone who is simply entitled to a decent nights sleep so they can go about their every day work.

In addition to this I have recently been refused a new mortgage on this flat as it is located above an undesirable premises, when I purchased the flat many years ago this was not a consideration as the commercial premises were normal shops. I can not believe that there is even a consideration for a night club to be anywhere in the proximity of a residential dwellings.

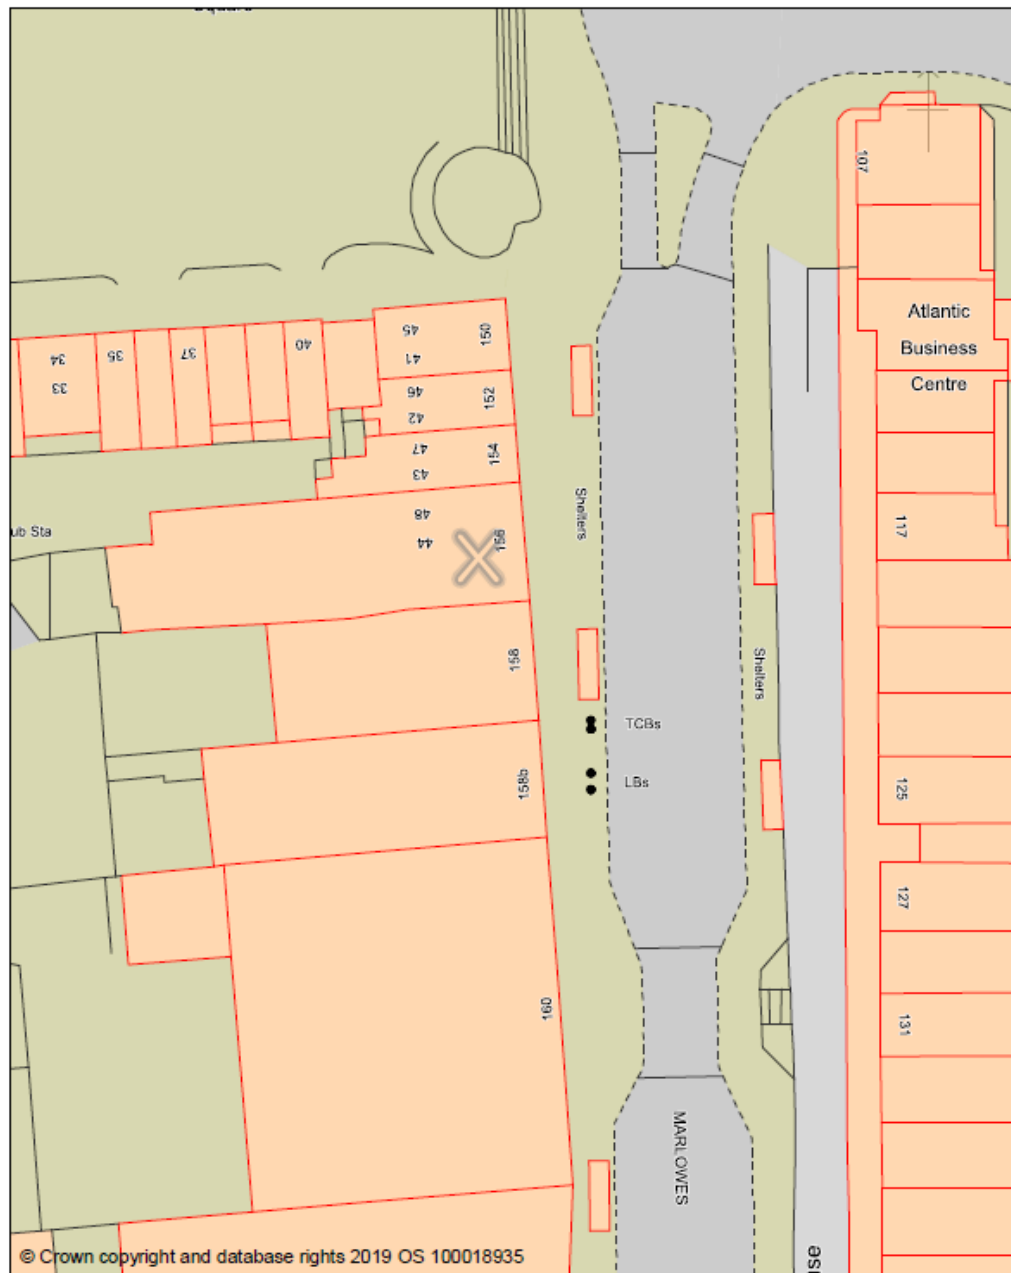

I can assure you that I will be contacting the council to conduct an environmental noise assesment if this application goes ahead.

This is not to mention the noise and disturbance that will be created by people leaving these premises.

I would like to be informed of the date the application is being heard so I can attend in person.

Yours Faithfully,
