<p>The procurement service will remain reactive in its approach and will have limited ability to focus on those areas of procurement which account for the majority of the Council's 3rd party expenditure.</p> <p>It will also expose the Council to potential breaches of the Public Contracts Regulations due to the failure to aggregate the value of contracts for the same supplies or services.</p> <p>There will be an increased likelihood that the Council will incur expenditure that is not under contract. It will reduce the Council's ability to achieve savings through procurement.</p>	<ul style="list-style-type: none"> - Spikes Cavell spend analysis undertaken - Realignment of the Service will increase resource capacity -Stradia procurement consultants have been appointed to provide additional support for the procurement of the Total Asset Mangement Contract, the affordable housing new build and the PSQ thereby releasing capacity within the in house procurement team to analyse 3rd party expenditure. - The Council have commissioned V4 Services to provide category management support which will increase capacity whilst delivering savings. 	<p>The commissioning of Stradia and V4 services has released a DBC officer to analyse third party expenditure. It has also enabled the third party expenditure to be 'pro-classed' in Agresso which will allow the spend to be analysed in real time. This has effectively removed the risk.</p>

OPERATIONAL RISK REGISTER

September 2015

There is a risk that the Council will fail in one of its key Corporate Plan objectives - Building Community Capacity and helping communities to thrive and prosper.

Building Community Capacity is one of the five priorities in the Council's Corporate Plan.

Officer/Member training events on localism and the community rights.

Setting up of Community and Localism Corporate Working Group. Guidance and processes on the community rights available to the public on the Council's website.

Workshops held with Voluntary Service Organisations. Member Development session arranged with VSOs in September 2015.

Twice yearly meetings between chief officers and Dacortium.

Quarterly meetings of the Dacortium Sub-group at AD level.

The setting up of the internal Health and Wellbeing Group as a sub-group of the Community and Localism Group.

Co-operation and liaison between the Community Partnerships and Neighbourhood Action Teams.

Love Your Neighbourhood events which bring together communities, VSOs, the Council and other local organisations.

The controls in place ensure that there is a high degree of awareness about community and localism among officers and members.
