Well done Income Team, this shows that the hard work with early intervention and support has brought results.	No Info
SH03a - Average time (working days) to re-let general needs properties	32 Days 1776 / 46 Target: 30 Days	33 Days 2322 / 65 Target: 30 Days		0 3 1	Updater Comments: 46 general needs properties were let in this quarter and average working days to relet = 31.5 Although this remains out of target, it is a positive improvement from last quarter. The Empty homes process review is well underway as part of the New Normal programme and is looking at existing processes to reduce the length of time each property is void. From an allocations point of view, to minimise the impact that refusals and readvertising has on this figure we are also looking into advertising and viewing properties during notice periods and looking at system improvements which would reduce paperwork. Approver Comments: Small improvement on last periods outturn in performance, however staffing, performance challenge and ongoing review of processes has had a positive impact.	No Info

A sheltered housing stock review has been completed to look into demand for this type of accommodation and analysis is ongoing to look at existing applicants and why the bids received are low.	Work is ongoing to redesignate properties that have been identified as part of the sheltered housing review. Further properties that are vacant have
SH04a - % of general needs properties let in target	47.83% 22 / 46 Target: 70%	47.69% 31 / 65 Target: 70%		4 0 0	Updater Comments: The figure for quarter 4 remains low but as with quarter 3, work is ongoing to streamline process and analyse where delays are occurring. A full review of empty homes process is underway to look at innovative ways to reduce the length of time each property is void. From an empty homes point of view this will include looking at length of time each contractor has the keys and where delays can be reduced. Additional resource is in place for surveyors to ensure early identification of required works and resourcing is underway for allocations to ensure there is a consistent work output from this side of the service. From an allocations point of view, staff have cleared the backlog of properties and are ensuring that property Approver Comments: In addition to the New Normal project for Empty Homes, the service will also be moving forward with upgrade of the Civica system in Q2/3, which will see some improvements implemented to assist with efficiencies. Additionally the Property & Place restructure has now been completed, which will assist to realigning the key workstreams linked to Empty Homes.	Ongoing Empty Homes review through New Normal work strand, which has been delayed due to COVID-19.
