

Action points from 29th September 2020

1. K Mogan to arrange briefing on the portfolio holder decision process to Members.

Two briefing sessions were held on 12th and 18th November.

2. K Mogan to speak to HR about running training with Members for DORIS/K Mogan will speak to HR about running training with Members for Doris.

HR provided a run through session with MDSG on 29th October. Other members should have seen the DORIS instructions that have been included in Members News. There are plans to advertise more widely to members and to offer drop in sessions if they need further assistance.

3. K Mogan to add to the mandatory training attendance to the agenda

This has been included in the agenda.

4. K Mogan to ask councillors for feedback on individual training sessions they have attended and present to the next committee.

Emails have been sent to the individual councillors asking to provide feedback. Will hopefully have an update for the committee at the meeting.

5. K Mogan to find out why the safeguarding training costs are not on the budget.

The safeguarding training was paid for in the 2019/20 budget as the training was originally scheduled for March but was postponed due to coronavirus.
