1. Background

- 1.1 The purpose of this report is to present the final outturn and the final Statement of Accounts for 2020/21 for Members' approval.

2. Executive summary

- 2.1 The Account and Audit (Coronavirus) (Amendment) Regulations 2021 requires local authorities to approve their financial statements for 2020/21 by 30th September 2021. The appointed Auditor must complete their audit and issue the relevant audit opinion to ensure the statutory deadline is met. The Council's appointed Auditor is Grant Thornton UK LLP.
- 2.2 The purpose of the external audit of the financial statements is to give an opinion on:
- whether they present a "true and fair" view of the financial position of the audited body and its expenditure and income for the year in question; and
 - whether they have been prepared properly in accordance with relevant legislation and applicable accounting standards.
- 2.3 The Auditor's opinion is added to the Statement of Accounts, with further detail of the audit findings provided in the Audit Findings Report to the Council. The Audit Findings Report appears as a separate agenda item for Audit Committee on 8th September 2021.
- 2.4 The Statement of Accounts has been prepared in accordance with the Code of Practice on Local Authority Accounting 2020/21 (the Code) issued by the Chartered Institute of Public Finance and Accountancy (CIPFA).

3. Statement of Accounts

- 3.1 It is the role of the Corporate Director (Finance and Operations) to present the Council's annual Statement of Accounts to this Committee for formal approval.
- 3.2 The published accounts of the Council are an essential means by which it accounts for its stewardship of the resources at its disposal and its financial performance in the use of those resources. The Corporate Director (Finance and Operations), is required to:
 - ensure the regularity of transactions, by putting in place systems of internal control to ensure that financial transactions are lawful;
 - maintain proper accounting records; and
 - prepare financial statements that give a true and fair view of the financial position of the body and its expenditure and income.
- 3.3 The Statement of Accounts includes a Narrative Report which provides a user-friendly guide to the most significant matters reported in the accounts together with an overview of the Council's financial performance throughout the year.
- 3.4 The Council is required to submit a letter of representation to its appointed Auditor. This letter confirms the basis upon which the Council has produced its Statement of Accounts and how the Council has participated in the external audit process. This letter is contained at Appendix B to this report.

4. Changes to the Draft Accounts Approved by the Corporate Director (Finance and Operations) on 22nd July 2021

- 4.1 The Council published its draft Statement of Accounts on 22nd July 2021, in line with the statutory deadline of the 31st July 2021. Since its publication, Council officers have agreed some minor additional disclosures. There have been no amendments to the main financial statements.
- 4.2 More detail on the findings of the appointed auditor can be found in the Audit Findings Report, a separate agenda item at Audit Committee on 8th September 2021.

5. Expenditure and Funding Analysis

- 5.1 The Expenditure and Funding Analysis shows how annual expenditure is used and funded from income (government grants, rents, council tax and business rates) in comparison with the income and expenditure in accordance with generally accepted accounting practices. It shows how this expenditure is allocated for decision making purposes between the Council's committee. Income and expenditure accounted for under generally accepted accounting practices is presented in full detail in the Comprehensive Income and Expenditure Statement.

6. Comprehensive Income and Expenditure Statement

- 6.1 The Comprehensive Income and Expenditure Statement (CIES) reports the net cost for the year of all functions for which the Council is responsible and demonstrates how that cost has been financed from general government grants and income from local taxpayers.
- 6.2 The CIES for 2020/21 reflects a net loss of £35.0m and consists of the following:
- Deficit on the Provision of Services of £16.2m (2019/20 deficit of £10.8m);
 - Other Comprehensive Expenditure of £18.7m (2019/20 income of £138.5m).
- 6.3 The increase in the deficit on the Provision of Services of £5.4m between years is due to:
- A increase in the Total Cost of Services of £6.9m;
 - An overall reduction in Other Operating Expenditure of £1.0m, driven by an increase in gains on the disposal of non- current assets;
 - An decrease in Financing and Investment Income and Expenditure of £3.5m;
 - A reduction in taxation and Non Specific Grant Income of £3.0m.
- 6.4 Other Comprehensive Expenditure for the year was £18.8m and consists of:
- £13.3m surplus on revaluation of property, plant and equipment;
 - £32.1m actuarial loss on pension asset/ liabilities.

7. Balance Sheet

- 7.1 The Balance Sheet is fundamental to understanding the Council's financial position at the year end. It shows the balances, reserves the long term indebtedness and the fixed and net current assets employed in its operations, together with summarised information on the fixed assets held.
- 7.2 The Council's net worth was £1.001bn as at 31 March 2021, which represents a decrease of £35.0m on the previous financial year. The change between years is made up of movements in both the deficit on the Provision of Services and Other Comprehensive.

8. Movement in Reserves Statement

- 8.1 The Movement in Reserves statement shows the movement in the year on the different reserves held by the Council, analysed into 'useable reserves' (i.e. those that can be used to fund expenditure or reduce local taxation) and 'other reserves'.

9. Cash Flow Statement

- 9.1 The Cash Flow Statement shows the movement in cash and cash equivalents held by the Council throughout the year. The statement shows how the Council

generates and uses cash and cash equivalents by classifying cash flows as operating, investing and financing activities.

10. Housing Revenue Account

- 10.1 The Housing Revenue Account (HRA) is 'ring-fenced' from the General Fund. This reflects the Council's statutory obligation to maintain a separate revenue account for local authority housing provision in accordance with Part 6 of the Local Government and Housing Act 1989.
- 10.2 The HRA statement shows a deficit of £10.8m for 2020/21. This is an increase of £0.2m on the deficit reported in 2019/20, which was £10.6m.

11. Collection Fund

- 11.1 This account reflects the statutory requirement for billing authorities to maintain a separate Collection Fund, which shows the transactions of the billing authority in relation to Non-Domestic Rates and Council Tax, and illustrates the way in which these have been distributed to preceptors and the General Fund.

12. Conclusion

- 12.1 The Statement of Accounts represents a detailed picture of the Council's financial activity for 2020/21. Members are asked to review the accounts and Letter of Representation presented to them today and approve these documents.
