Dear Sirs

**Dacorum Borough Council**  
**Financial Statements for the year ended 31 March 2021**

This representation letter is provided in connection with the audit of the financial statements of Dacorum Borough Council for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Council financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

**Financial Statements**

- i. We have fulfilled our responsibilities for the preparation of the Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.
- vi. The outbreak of COVID-19, declared by the World Health Organisation as a “Global Pandemic” on the 11th of March 2020, has and continues to impact many aspects of daily life and the global economy – with some real estate markets having experienced lower levels of transactional activity and liquidity. Travel, movement, and operational restrictions have been implemented by many countries. In some cases, “lockdowns” have been applied to varying degrees and to reflect further “waves” of COVID-19; although these may imply a new stage of the crisis, they are not unprecedented in the same way as the initial impact. The pandemic and the measures taken to tackle COVID-19 continue to affect economies and real estate markets globally. Nevertheless, as at the valuation date property markets are mostly functioning again, with transaction volumes and other relevant evidence at levels where an adequate quantum of market evidence exists upon which to base opinions of value.  
  
Accordingly, and for the avoidance of doubt, trust’s valuation is not reported as being subject to ‘material valuation uncertainty’ as defined by VPS 3 and VPGA 10 of the RICS Valuation – Global Standards, except as identified below.  
  
In respect of Retail and specific trading related assets/sectors such as Car Parks, as at the valuation date we continue to be faced with an unprecedented set of circumstances caused by COVID-19 and an absence of relevant/sufficient market evidence on which to base our judgements.  
  
For the avoidance of doubt this explanatory note, including the ‘material valuation uncertainty’ declaration, does not mean that the valuation(s) cannot be relied upon. Rather, this explanatory note has been included to ensure transparency and to provide further insight as to the market context under which the valuation opinion was prepared.
- vii. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- viii. Except as disclosed in the financial statements:
  - a. there are no unrecorded liabilities, actual or contingent
  - b. none of the assets of the Council has been assigned, pledged or mortgaged
  - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- ix. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- x. We have considered the adjusted presentational disclosures changes schedules included in your Audit Findings Report. The Council’s financial statements have been amended for these presentational disclosure changes. They had no impact on primary financial statements.
- xi. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- xii. The financial statements are free of material misstatements, including omissions.
- xiii. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiv. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

- xv. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that:
- a. the nature of the Council means that, notwithstanding any intention to liquidate the Council or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
  - b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and
  - c. the Council's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements

#### **Information Provided**

- xvi. We have provided you with:
- a. access to all information of which we are aware that is relevant to the preparation of the Council's financial statements such as records, documentation and other matters.
  - b. additional information that you have requested from us for the purpose of your audit; and
  - c. access to persons within the Council via remote arrangements, in compliance with the nationally specified social distancing requirements established by the government in response to the Covid-19 pandemic, from whom you determined it necessary to obtain audit evidence.
- xvii. We have communicated to you all deficiencies in internal control of which management is aware.
- xviii. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xix. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xx. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Council and involves:
- a. management.
  - b. employees who have significant roles in internal control; or
  - c. others where the fraud could have a material effect on the financial statements.
- xxi. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.
- xxii. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxiii. We have disclosed to you the identity of the Council's related parties and all the related party relationships and transactions of which we are aware.
- xxiv. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.
- xxv. Annual Governance Statement
- xxvi. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework, and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

**Narrative Report**

xxvii. The disclosures within the Narrative Report fairly reflect our understanding of the Council's financial and operating performance over the period covered by the Council's financial statements.

**Approval**
