

### Finance and Resources OSC Action Points

<b>Date of meeting</b>	<b>Action point</b>	<b>Responsible officer</b>	<b>Date action completed</b>	<b>Response</b>
05/07/22	Councillor Symington asked whether the figure was available for what the admin costs for the CIL were annually. She then stated that she did not have a problem with the money going back into the community, but the issue is that it is an enormous inconvenience for people who live in that community for a very small amount of money.	N Howcutt	Ongoing	
07/06/22	Cllr Adeleke commented on the digital printing, noting that £36k was spent in the quarter and that there was no indication on whether this was an increase or decrease, and he asked how this compares to other councils. It was noted that some printing costs are recovered, and the change compared to the previous quarter could be provided. It was suggested that they would need to look over past figures from the last 12 months to provide a better comparison.	M Brookes	06/09/22	The £36k is not for digital printing; the department is the Digital Print & Post room, but the cost associated is for the franking of post for sending via Royal Mail, not for the digital printing element.
