26/07/23	<u>Item 6 – SICA Report</u>	F Jump / C	12/09/23	Records of the finding will be updated Guardian (the internal
	Key strategic finding to be	Harris		audit tracking system) to reflect this request from Audit
	updated to read that document			Committee.
	should be kept up to date.			
26/07/23	<u>Item 6 – SICA Report</u>	O Jackson	07/09/23	For July 3950 tenants were in arrears. Against the total
	To provide percentage of tenants			number of tenants this is 41%. Approximately 15% of

	in arrears.			tenants are in arrears of over £500.
				However there are some caveats to this:
				 The 41% includes tenants with any amount of arrear, even 1p. People who pay by direct debit, who have no payment issues, are included in this number if they don't pay any money up front. Arrears are typically higher in summer months due to school holidays and the costs associated with children being off and then returning to school.
