

Finance and Resources OSC Action Points - March

| Date of meeting | Action point | Responsible officer | Date action completed | Response |
|------------------------|--|----------------------------|------------------------------|---|
| 05/03/24 | <u>Item 8: Q3 Performance Report – Corporate and Commercial</u> B Hosier to liaise with service provider to find out whether the electric vehicle charging points (EVCP) had been assessed for accessibility. | B Hosier | 19 March 2024 | I have contacted both Osprey and Connected Kerb and they have provided the following responses: <u>Osprey</u> <i>Osprey’s sites are designed to be highly compliant with the PAS 18:99 standard for accessible electric charging. In short, we have designed every Dacorum Borough Council site to accommodate the needs of those with specific access requirements.</i> <u>Connected Kerb</u> <i>Connected Kerb have worked closely with Charge Point UK in the production of PAS 1899: 2022 Electric Vehicles Accessible Charging standards and welcome the process of ensuring EVCP is available to all. We are currently working with BSI on having our units formally assessed for compliance.</i> |
| 05/03/24 | <u>Item 8: Q3 Performance Report – Corporate and Commercial</u> Cllr Weston asked N Howcutt to provide figures for any debts written off and the reasons. | N Howcutt | Ongoing | |
| 05/03/24 | <u>Item 10: People Service Update</u> Cllr Hannell asked for the number (or percentage) of staff on full sick pay and half sick pay. | M Rawdon | 08/03/2024 | As of 8th March 2024 we have 12 staff currently on half pay and 1 on zero pay that are off due to sickness. |

Finance and Resources OSC Action Points - February

|----------|--|----------------------------|---------------|---|
| 07/02/24 | <u>Item 10: Climate and Ecological Emergency Programme Update</u> Cllr A Williams queried if the Electric Vehicle Operators felt the usage was where they expected it to be. | Cllr England / B Hosier | 19 March 2024 | I have requested this information from Osprey and they have confirmed that the site usage is where they would expect it to be at this stage. There was special mention for The Forge car park, where usage is ahead of where Osprey would have expected it. |
