<p><u>13/03/2024</u></p>	<p>To look into the consultancy review for Cllr Banks</p>	<p>D Southam</p>	<p>11/4/24</p>	<p>Response sent to Cllr Bank 11 April – once it is confirmed no follow up questions to include in response a final version will be sent to all committee members. Update 16/4/24 – Cllr Banks confirmed no follow up questions and so response as set out below – Chair has agreed just to update tracker rather than circulate response. <i>At Housing and Community OSC, you asked about the previous Old Town Hall review.</i></p> <p><i>As you know this was undertaken prior to my arrival and the implementation of the new structure and Diana’s subsequent appointment. We have moved forward with our service plans and thinking and as I have been reporting will be undertaking a more in depth service review of the Old Town Hall that include what the offer is etc and goes beyond the physical aspects of the building – although this will of course be included.</i></p> <p><i>I’m not sure why the previous findings weren’t reported back but I suspect it was due to the change in management of the theatre and resourcing. However, as you quite right!</i></p>

				<p><i>suggested at the committee and as mentioned above, time has moved on and we will consider the previous review as part of the in depth review we are currently scoping and it will all be wrapped up into one report.</i></p> <p><i>Hope that is helpful – let me know if you have any follow up questions and then, once finalised I will send a final response to all committee members</i></p>
	<i>J Bank had a question for the PH Question who wasn't at the meeting (please refer to the full minutes)</i>	<i>S Dhyani</i>		<i>I support the health hub, and it doesn't mean that it stops us from seeking a full hospital for Hemel in future.</i>
	why is there no tuck shop at every adventure playground site.	D Southam	15/04/24	<p>Response sent to the Chair as follows. Chair has agreed just to update tracker rather than circulate response.</p> <p><i>At H&amp;C OSC you asked why there wasn't a tuck shop at each APG.</i></p> <p><i>Apologies for delay in replying.</i></p> <p><i>There is a tuck shop at each of the APG's. They are only open at certain times due to the ability to staff them.</i></p>
