September 2024	<b>Action:</b> James Doe/Tony Moore to look at why the Water play feature in the town hasn't been functioning,	JDoe/TMoore	TMoore	<p><i>The Hemel town centre water play feature only ran for a few weeks this year due to the failure of some critical parts and system. Due to the time to source different components and having to have additional specialists involved in fault finding the water play feature had to be switched it off early, so that parts and repairs could be booked in during the winter shutdown ( which is October).</i></p> <p><i>It is expected that the feature will be repaired and ready for recommissioning in April 25 in readiness for the warmer months next year.</i></p> <p><i>Linked to the feature is a music element which operates through the large screen next to it. Currently this is non-operational and Officers are in the process of carrying out a review regarding its future.</i></p>
