In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Audit Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Dacorum Borough Council for the year ended 2015/16. Subject to satisfactory completion of the following outstanding items we will issue an audit opinion in the form which appears in Appendix C:</p> <ul style="list-style-type: none"> • receipt of the signed management representation letter • review of the final version of the financial statements • procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. • subsequent events review • audit of the HRA and leases notes <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that the Council has put in place proper arrangements to secure value for money in your use of resources.</p>
Audit differences	<p>There are no unadjusted or adjusted audit differences.</p>
Scope and materiality	<p>In our audit plan presented at the 10 February 2016 Audit Committee meeting, we communicated that our audit procedures would be performed using a materiality of £2,590,000 based on 2014/15 gross expenditure. We have reassessed this based on the actual results for the financial year and we have increased this amount to £3,260,000 due to an increase in the authorities' gross operating expenditure because of a lower downward valuation on council dwellings compared to the prior year.</p> <p>The threshold for reporting audit differences which impact the financial statements has increased from £130,000 to £163,000. The basis of our assessment is 2% of gross operating expenditure, which has remained consistent with prior years.</p> <p>We carried out our work in accordance with our Audit Plan with the following supplement to our assessment of significant risk relating to property valuation.</p> <p>The Council undertakes an annual exercise to revalue property assets. The classification of these properties represents a significant judgment that will determine the basis on which those properties are valued, and therefore has a significant impact on the financial statements.</p> <p>From 2015/16, the Code of Practice on Local Authority Accounting in the United Kingdom adopted IFRS 13 for assets and liabilities included in the financial statements that either permit or require measurement at fair value.</p>

The 2014/15 balance showed a balance of £46 million for Investment Property, and therefore this change in approach will impact on material disclosures in the financial statements.

Significant audit risks We identified the following audit risks during the planning phase of our audit, and reported these to you in our audit plan:

- Property asset valuation and accounting
- Risk of fraud in revenue recognition
- Risk of management override.

The 'addressing audit risks' section of this report sets out how we have gained audit assurance over those issues and others identified during the audit.

Other reporting issues We have no other matters we wish to report.

Control observations We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Property asset valuation and accounting</p> <p>The Council undertakes an annual exercise to revalue property assets. The valuation of these assets represents a significant accounting estimate. The accounting entries arising from changes in value are complex and will have a significant impact on the Council's financial statements. The Council is currently working to regenerate an area of Hemel Hempstead town centre. It has acquired a number of properties to facilitate this development. The classification of these properties represents a significant judgment that will determine the basis on which those properties are valued, and therefore has a significant impact on the financial statements.</p> <p>From 2015/16, the Code of Practice on Local Authority Accounting in the United Kingdom adopted IFRS 13 for assets and liabilities included in the financial statements that either permit or require measurement at fair value.</p> <p>The 2014/15 balance showed a balance of £46 million for Investment Property, and therefore this change in approach will impact on material disclosures in the financial statements.</p>	<p>Assessed the reliability of management's experts (placing reliance on our own valuation specialists).</p> <p>Tested of the accounting treatment applied to changes in the valuation of property assets.</p> <p>Reviewed management's judgements around the classification of property assets, and testing whether those judgments reflect guidance within the CIPFA Code of Practice</p>	<p>We reviewed the information provided by the authority to the valuer and the valuations provided by the valuer to ensure that they have been correctly reflected in the financial statements, and that the valuations has been made on appropriate basis. We also reviewed the valuer's competency and objectivity. There were no issues arising as a result of our work on property valuation and accounting.</p>
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for evidence of management bias ; and • Evaluated the business rationale for any significant unusual transactions 	<p>We selected a number of journals to review based on our risk assessment. We have agreed these to other areas of our audit work or other supporting evidence. We have no concerns to raise.</p> <p>Our review of estimates has not identified evidence of management bias</p> <p>We have not identified any unusual business transactions.</p>

<p>Risk of fraud in revenue recognition</p> <p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p> <p>For local authorities the potential for the incorrect classification of revenue spend as capital is a particular area where there is a risk of management override.</p>	<ul style="list-style-type: none"> • Reviewed and tested revenue and expenditure recognition policies; • Reviewed and discussed with management any accounting estimates on revenue or expenditure recognition for evidence of bias; • Developed a testing strategy to test material revenue and expenditure streams including payroll, housing benefits, accounts payable and accounts receivable ; and • Reviewed capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised. 	<p>We have tested revenue recognition and cut off as part of income and expenditure testing and have not identified any issues with classification or recognition of income or expenditure.</p> <p>We have reviewed capital expenditure on property plant and equipment and found no issues with the classification as capital expenditure.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Council's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

We have no matters we wish to report.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

Request for written representations

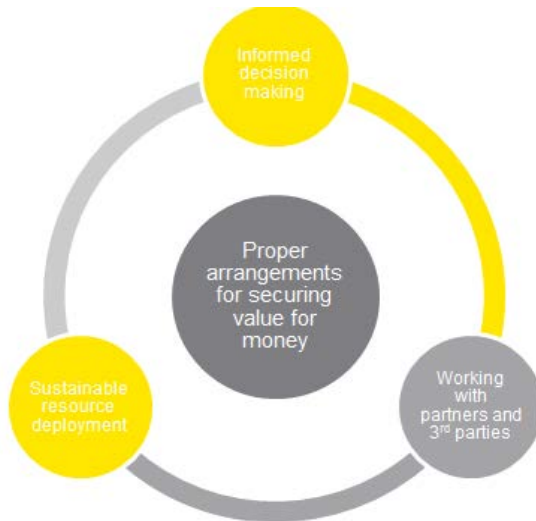

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix D.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We have not yet received the WGA so we have not commenced this work.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We identified a significant risk in relation to these arrangements regarding financial planning and management.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements.

We therefore expect to conclude that the Council have put in place proper arrangements to secure value for money in your use of resources.

Significant risks

The table below presents the findings of our work in response to the risk areas in our audit plan.

VFM risk identified within our audit plan	Impacts arrangements for:	Key findings
<p>In recent years the Council has responded well to the financial pressures arising from the recent economic downturn, and reductions in the level of central government funding to local government. These factors and the Council's current plans to regenerate parts of Hemel Hempstead town centre will impact on the Council's budget and Medium Term Financial Strategy during the current and forthcoming financial years. The savings target over the life of the current Medium Term Financial Strategy (2015/16-2019/20) is £3.1m</p>	<ul style="list-style-type: none"> Deploying resources in a sustainable manner 	<p>We reviewed the Council's 2016/17 budget and the medium term financial strategy (MTFS), assessing the robustness of the savings plans in place. This took into account the Council's historic record.</p> <p>In 2015/16 the Council continued its track record of achieving its annual budget, delivering a surplus of £152k, including approximately £1.7m of savings and additional income. The general fund balance now stands at £2.5m as at 31 March 2016.</p> <p>The 2016/17 budget includes a £1.4m savings target. Although it is still relatively early in the financial year, we assessed this as reasonable taking into account the Council's track record of delivering savings over the recent financial periods. While incrementally savings can become harder to achieve over time, the Council's performance in delivering its plans gives confidence that it can continue to do so.</p> <p>We also reviewed the key assumptions in the budget and MTFS, which adequately took into account the economic environment at that time for business rate projections, and the forecast for reduced central government funding and the potential four-year settlement.</p> <p>The cumulative budget gap, taking into account the 2015/16 outturn, is now forecast at £2.8m to 2019/20. However savings plans with a value of £2.3m have been identified prior to the year-end by officers to cover this gap for 2016/17 and further proposals identified for future years. These plans have now been approved by members and they are currently being consulted on with residents.</p> <p>Therefore, based on the known information as at the end of the financial year, we assess the Council to have adequate arrangements.</p>

Appendix A – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated February 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee on 29 July 2016.

We confirm that we have met the reporting requirements to the Audit Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of February 2016.

Appendix C – Draft audit report

Independent auditor's report to the members of Dacorum Borough Council

Opinion on the Authority's financial statements

We have audited the financial statements of Dacorum Borough Council for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Authority Movement in Reserves Statement,
- Authority Comprehensive Income and Expenditure Statement,
- Authority Balance Sheet,
- Authority Cash Flow Statement,
- Housing Revenue Account Income and Expenditure Statement, the Movement on the Housing Revenue Account Statement and the related notes 1 to 8
- Collection Fund and the related notes 1 to 3

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Dacorum Borough Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Financial Officer and auditor

As explained more fully in the Statement of the Responsibilities for the Statement of Accounts set out on page 17 the Chief Financial Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of

performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Dacorum Borough Council as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on Dacorum Borough Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1) (c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Dacorum Borough Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Dacorum Borough Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Dacorum Borough Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Dacorum Borough Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of Dacorum Borough Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

[OR]

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed the work necessary to issue our assurance statement in respect of the Authority's Whole of Government Accounts consolidation pack. We are satisfied that this work does not have a material effect on the financial statements or on our value for money conclusion.

Appendix D – Management representation letter

29th July 2016

Ernst & Young
Apex Plaza,
Forbury Road,
Reading,
RG1 1YE

This letter of representations is provided in connection with your audit of the financial statements of Dacorum Borough Council (“the Council”) for the year ended 31st March 2016. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the Council financial position of Dacorum Borough Council as of 31st March 2016 and of its income and expenditure for the year then ended in accordance with [CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with [the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.
2. We acknowledge, as members of management of the Council, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Council in accordance with [the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
4. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, that are free from material misstatement, whether due to fraud or error.

There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.

B. Fraud

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
2. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
3. We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the Council's internal controls over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving other employees in which the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistleblowers") which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Council.

C. Compliance with Laws and Regulations

1. We have disclosed to you all identified or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.

D. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have made available to you all minutes of the meetings of the Council and committees: Cabinet, Audit Committee, Finance & Resources Overview & Scrutiny (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the July to the most recent meeting on the following date: 27th July 2016.
4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. We have disclosed to you, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

E. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in Note 40 to the financial statements all guarantees that we have given to third parties.

F. Subsequent Events

1. Other than described in Note 43 to the council's financial statements, there have been no events subsequent to year end which require adjustment of or disclosure in the consolidated and council financial statements or notes thereto.

Yours faithfully,

Chief Finance Officer

Chairman of the Audit Committee
